

Internet Archive Messages From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower. Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your yes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/> It is to be noted the messages are not designed to lead souls to Mary, or replace Jesus with Mary, but it is always our loving Mother Mary leading souls to Jesus, to the Church, to the Sacraments through sincere prayer.

I am with you, so persevere on your journey. I am with you, so believe you are not alone. Continue to walk with My Mother, as she is here to light and prepare the way. MESSAGE #2512 from Jesus August 6, 2003

My child, Listen, listen to My Mother, for she is here to light and prepare the way. She is ever so near to My heart. Tell the world to come to know her love that she has for each of you. She loves you and will assist those who take heed to her motherly requests.

Many look for signs, but what I say to you, My Mother is the sign for these times. She is reminding all her children that there is a Heaven and that hell exists. How My Mother suffers each time a soul chooses to live in darkness. My Mother is unable to help those who are choosing darkness. Darker days will come and there will be no light for those who are choosing darkness.

Follow My Mother's example and obey each commandment. Obey and she will lead you closer to My merciful heart. Obey and then much joy will be given to you. Obedience is the way to true happiness and freedom. Freedom comes from obedience to My Father, so listen, listen to My Mother and obey. Strength will be given to you each time you obey. Listen with your heart, for I truly speak to each of you. Listen and obey and I will give you peace for the journey ahead. Listen and obey and come to Me so that I may present you to My Father, who is also your Heavenly Father. I am Jesus and I am always with those who listen, obey and who come to Me.

My child, I am with you each time you suffer so do not lose trust or confidence in Me. Offer your suffering for those who are choosing darkness. Offer your suffering so more take heed to My Mother so they are led closer to Me. Through your suffering, souls are being saved, so continue to suffer for My Mother and for Me.

MESSAGE #2425 from the Blessed Mother January 2, 2003

My daughter, Many will not understand the trials that will come their way because they don't know Jesus. They will have no one to turn to because they have allowed themselves to become distant from God. How will one survive if they have become dependent on themselves? It will be very difficult for those who do not trust or believe in Almighty God.

Please, dear children, begin today and build your relationship with Jesus. Come to know Jesus now and be confident in His love for you. Be confident so you learn to trust in God's Divine Wisdom and strength. Through prayer and a true desire to come to know Jesus, you will become more secure. Through prayer and a true relationship with Jesus, you will have peace no matter what trials come your way. You will know how to turn to Jesus on those difficult days if you learn to rely on Him now.

Dear children, God wants each of you to be filled with joy and peace. God does not want you to be fearful, but you in turn must trust in Him. You must be confident in His love and mercy. You must take time to truly come to know Him so that He can direct you. God will be your refuge and strength if you look to Him and pray. God will not abandon you, for He truly, truly loves you. Many blessings will be given to those who love and trust in Him.

So, please surrender your hearts to Jesus. Turn to Him at all times, not just in times of difficulty. Turn to Him and trust, trust more. Turn to Him and remember that you are weak without God. It is only through God's grace and strength that you are made strong in Him. Please look to Jesus who is so loving and merciful. Please turn to Him now so you are given the strength needed to endure each trial that comes your way.

Prayer will protect you, so be at peace and respond now with your whole heart and soul. Respond with love in your hearts and never, never give up on prayer. Respond now, for God has given you much time to convert and amend your ways. Respond now, for time is short and again I say to you, each of you will need to be prepared. Each of you will need to have a relationship with our Dear Lord, Jesus.

The light of my Son will shine forth for those who trust and truly, truly come to know Him. Amen.

MESSAGE #2426 from the Blessed Mother January 3, 2003

My daughter, Today I must warn my children for so many are still sleeping. Many are living in sin because they do not want to change their lifestyle. What will man do when darkness, complete darkness covers this earth? Many will not be prepared because they did not listen, listen to the Gospel. Many will not know which way to turn because they did not listen to what God was telling them. All hearts and ears must open to the truth before it's too late.

My daughter, God will punish the wicked and woe to those who are not obeying God's commandments. Woe to those who are refusing to amend their ways. Woe to those who are destroying lives and who are leading others astray. A time will come and darkness will cover this earth. A time will come for God's justice to prevail.

How I weep today for those who are abusing this time to prepare their soul. How I weep, weep for those who do not believe in God's mercy and justice. A time will come so please do not be foolish children, repent, repent now. Turn to God and ask for His assistance. Turn to God so you have the grace needed to turn your lives around. Come back to church and take heed to the Gospel. Come back all ye who have fallen away from the Sacraments. Cleanse your soul and be truly sorry for your sins. Ask God for forgiveness and then do penance for your sins. Reflect on Jesus passion and take part now in healing Jesus' wounds.

Listen to your most Holy Pope and pray and meditate on the mysteries of the Rosary. Teach all faiths to recite the Rosary properly. Share the goodness that has been give you for prayer, prayer is your protection. Share your faith with those who are sleeping. Wake up all your brothers and sisters for each child has a soul.

Don't wait, for the day will come when thunder will roar across the sky. All will have but little time to reform their lives. The time dear children is now, so please listen to my heavenly pleas. Please take my hand and allow me to assist you while I can. Please allow me to lead you closer to my Son so you truly come to know Him. My love for you is great so please, please accept my motherly assistance.

My daughter, your hands and voice are truly needed so please do not allow fear to enter your heart. Just do what God and I are asking of you without hesitation. The words shall always be given to you for I am always with you. Now please, let the world know that I am truly here to assist all my children. Let the bishops know how important it is that all pray the Rosary from their heart. All must join hands now and pray and meditate on the mysteries of the Rosary.

Prayer is truly needed, needed now. Many countries are in danger and this world will truly suffer with out more prayer, sacrifice and penance. Pray with me now and offer your suffering for the salvation of souls. Amen

MESSAGE #2427 from the Blessed Mother January 6, 2003

My daughter, I am here to help my children return to God. I am here for all my children, not just a few. I am here to assist each child who will take my hand so that I can lead them closer, closer to my Son, Jesus. Those who truly open their hearts to my motherly assistance will understand my role on this earth.

The problem today is that many hearts are closed to the truth. Many are picking and choosing which commandments to obey. Many have so many excuses for the way they are living their lives. Many today are making up their own rules to fit their lifestyle. All I can say to my children is that each of you will have to answer to God. Each of you have a free will, but you also have a conscience. You know in your hearts what is right and what is wrong.

Please dear children, take time, time to examine your conscience. Take time and then ask yourself, "Is your life truly pleasing to God?" If it is not, then please ask God to help you turn your life around. Ask God to help you relearn your ways. Ask God to reveal those sins that are pulling you away from Him. Ask, ask now so that God can guide you on this earth. Pride and greed is not what will help you, only God. Change cannot occur in you if you refuse to spend time, quality time with God.

Each of you must live a life that is united with God. Please turn to God, for there is no longer time to be living a lukewarm life. Give yourself fully to Him and let go, let go of all your desires. Let go and open your hearts to God's unconditional love.

Dear children, my voice calls out to each of you, so please listen and then respond. Respond with love in your hearts. Respond and love Almighty God. Now, please open your hearts and respond so that you will be able to receive God's abundant love. Amen.

MESSAGE #2428 from the Blessed Mother January 8, 2003

My daughter, All of Heaven rejoices when my children love, obey and serve Almighty God, so please tell my children to continue forth and to live, live the Gospel. Tell my children that I am pleased when they gather and pray, pray from their hearts. Much joy is given to me when my children do what God and I are asking of them.

Today, I pray that all my children will turn to Jesus and take refuge in His Most Sacred Heart. I pray that more will repent and make sacrifices for the salvation of souls. I pray, pray daily for those who are furthest away from Jesus.

My daughter, today I ask that you pray with me, for many prayers are needed all across this world. Many prayers are needed, for so many have turned their back on God. So many are choosing darkness because they do not want to change their ways. Many do not realize that Satan exists and that he is truly prowling on this earth to devour souls. Many today live in darkness and they need to be rescued before it's too late. Please understand that the Rosary is your protection. Each prayer from your heart will help destroy evil. Each prayer will truly help those who are being led astray. The Rosary, sacrifice and penance is how conversion will happen. Your excuses and lack of prayer is not what will destroy evil.

I am here to gather my children and to form prayer groups all around this world. I am here to remind you that you must pray and amend your ways. I have been here for some time now, so please do not be afraid of me. Gather and pray in those groups that I have formed. Gather and join hands and welcome those whom God sends to you. Be humble, loving children and give all honor and glory to Almighty God. Give thanks to God and be more grateful for this time that is being allowed. Be more grateful and do all that you can to save souls.

Mankind will face a very serious moment soon and all will need a strong faith. All will need to know that God truly, truly exists. All will need to rely on God so they do not lose hope. Complete trust in God is what will truly be needed in order to stay strong through all trials and tribulation. Satan can do nothing to those who have given their life to Almighty God. Satan cannot harm those who know the truth and who are living the Gospel. It is so important that these messages be spread across this world and this can happen if you truly do your part. By truly living these messages, more will come to know Jesus.

Now, please understand God has allowed me to be here with you because this world is in danger. Sin has become widespread and this truly, truly offends God. If man returns to God, unity can be restored. If man doesn't respond soon, God will truly take action.

So, please respond now and pray the Rosary from your hearts. Pray in your homes and gather weekly in those groups that I have formed. Prayer, conversion and penance are truly needed, so be faith-filled children and be willing to do your part with love and joy in your hearts. Amen.

MESSAGE #2429 from the Blessed Mother January 9, 2003

My daughter, Parents must wake up, wake up now, for many children are struggling because they do not know God. All must come to know the truth and this is the parents responsibility. Parents have a role to play and they must tend to their children. It is time now for parents to take hold of their family.

It is time, dear parents, so please, please turn to God and ask for His guidance. God will truly teach those who listen and who trust in Him. This is the time of God's mercy, so please use this time more wisely. Be loving parents. Be an example for your children. Be strong in your faith and share God's love with those around you. Be peaceful with one another and allow God's love and mercy to dwell in you.

Recognize the turmoil in your home and then pray, pray more. Don't allow Satan to disrupt your peace. Don't allow Satan to tempt you where you are weak. Use the protection God has provided for you and teach your children to do the same.

Now, please live simply so you have more time to pray and communicate with each other. Live simply and allow God to be your wealth. Allow God to mold you so you can be a true example for your children. Trust and rely on God, not yourselves, so you have the grace needed to be the parents God intended you to be. Through prayer and listening to my Son, love and unity will be restored in your homes.

Now, please, please respond, for if there is peace in your homes, then peace will reign in this world. Amen.

MESSAGE #2430 from the Blessed Mother January 13, 2003

My daughter, Be at peace, for I am with you. Be at peace, for I am truly here to assist you.

Each word that is given to you shall always be imbedded in your heart. God will continue to open new doors, so be patient and accept each cross that is given you. Be confident in God's love for you, for He truly knows what is best, best for your soul. God knows how much you can endure, so be at peace and accept those gifts God has given you.

Now, please trust in God's plan and remain strong and faithful to our Lord. Amen.

MESSAGE #2431 from the Blessed Mother January 15, 2003

My daughter, It is God who will decide when these messages will end, so please continue to write and share with others all that is imbedded in your heart. In time these messages will be spread across this world. In time more hearts will open, open to the truth. Time moves quickly so be patient and trust, trust in God's plan.

Please tell my children not to give up on prayer. Tell my children to come to Mass and gather and pray the Rosary. Tell my children to fill the Church and to pray, pray from their hearts. So many today are in need of prayer, for they do not pray or spend time with Jesus. Until my children understand my role on this earth, their hearts will not be open to these messages. So today I ask that you help me light the way by your example, so more turn to God before it's too late. I ask that you continue forth by being true servants for our Lord. I ask that you form groups, holy groups, and pray for peace and unity around this world. I ask that you continue to accept my motherly assistance, for I am truly here for those who take refuge in my Immaculate Heart.

Dear children, there is no time to give up, for this is what Satan truly wants. Satan wants each of you to quit praying. Please do the opposite of what Satan is telling you, and live, live your consecration. Reject all that is evil and worldly, and take part in restoring family unity.

Now please be joyful children and be at peace through all trials and tribulation. Be at peace and be confident in God's promise. Accept each cross that is given to you and rejoice, rejoice in His love and guidance that He has for each of you. Have confidence in God's love and mercy and humbly submit to His Holy Will. God sanctifies and purifies His chosen ones, so please trust and place your confidence in God's love for each of you. Now please do not lose hope, for God allows trials to unfold because He loves you and wants you to know the truth. God knows what is best for your soul, so believe and trust, so you are strengthened for the road ahead. Much joy and strength will be given to those who persevere and live a pure and holy life.

Go forth, go forth now and imitate Jesus and follow Him in His Passion. Seek to follow Him each new day and move forward now with courage and hope. Glorify my Son now through Prayer, Sacrifice and Acts of Love. Amen.

MESSAGE #2432 from the Blessed Mother January 16, 2003

My daughter, I am with you. The road may seem narrow now, but please do not lose hope. Trust in God's plan and loving guidance. Use this time to build your relationship with Jesus and do not let others distract you. Look to God when you feel alone and He will be your strength.

My chosen sons will assist you as new doors open. Be patient, for I say to you, the day will come that all will know the truth. The day will come and all will know just how many wounds they have added to Jesus' Most Precious Body. For now dear children, please take part in healing Jesus' wounds. Be strong, faithful soldiers and stand up for the truth. Be loyal to Jesus by truly living your faith. Be true servants and work together, for in time you will need each other. In time, many will come running back to Church and your voice and hands will be truly needed.

This is a new beginning, for it is time now to let the world know that God exists. Pray and work together and be obedient to Almighty God. I will be with you wherever you go, so be at peace and grateful for these times. Be grateful for each new day and give all honor and glory to God. Amen.

This is a time of God's great mercy, so please, dear children, do not give up. Pray, pray from your hearts and make the Gospel known. In time, there will be no more suffering. In time, there will be victory and all evil will be destroyed.

I am truly with you each time you gather and pray, so be prayerful, prayerful children and do all that you can for the salvation of souls. Amen.

MESSAGE #2434 from the Blessed Mother January 22, 2003

My daughter, If hearts do not open to God's love, many more souls will be destroyed. Without love in one's heart, hatred will exist. Without love in one's heart, peace cannot reign in this world.

Dear children, evil cannot exist wherever there is love. It is time now to truly love, love one another. Through genuine acts of love and mercy, darkness can be removed all around this world. So, today I ask that my children reach out and love, love one another. I ask that you do not judge or criticize each other, instead pray for those who have hurt you.

If you truly love Jesus, then you must imitate Him. You must make peace wherever there is disunity. You must teach others through your actions and truly live, live the Gospel. True peace, unity and freedom will then be present in this world. Without a response from my children, love and joy cannot be spread. So please respond to God's call, for He is asking each of you to truly love, love one another.

Through prayer and faith in God, you can make a difference in this world. Be willing children and do your part, for this is how you will truly heal Jesus' wounds. Be loving, forgiving children and be an example to this darkened world. I am truly here to remind you that unity comes through prayer and merciful love towards all your brothers and sisters; it comes through obedience to Almighty God. Prayer, love and mercy is the way to unity and peace.

Go forth now and pray for those who are choosing death instead of life. Pray each new day, for each soul is so precious to Almighty God. Amen.

MESSAGE #2437 from the Blessed Mother January 29, 2003

My daughter, Be grateful for those gifts God has given you and continue to pray, pray with those in need. Continue to do what God and I are asking of you so more souls are saved. This world needs to wake up, so please continue to write and relay my words. Continue to share all that I am teaching you so more come to know our dear Lord, Jesus.

Each child must do their part so more come to know the truth. The truth, dear children, is being hidden from you because so many Bishops, Priests, and Religious do not want to be persecuted for sharing their faith. Many today are sleeping and are disobeying God's commandments. Many today are living in sin because they do not want to change their lifestyle. Many, many souls are still in danger so that is why God has allowed these messages to continue. My children must come back, back to the Sacraments so they have the grace needed to live these messages. My children must repent and do penance for their sins so they can overcome the evil that surrounds them. Each child must do their part in order for change to occur in their life. Without the help of these messages many today would still be on the wrong path. This is God's way, not man, to wake His children before it's too late. God's plan is not always what His children want but it is God's way to wake His children.

So today, I am asking that all my messengers continue to go forth and make the gospel known. I am asking that you persevere with joy in your heart and accept those gifts God has given you. I ask that you do not doubt or lose hope, for God and I are truly with you.

In time, God will shake this earth and all will need to be in a state of grace. All will need a deep faith in order to endure what is coming your way. All will need to know that God exists and that He is truly in charge of this world. Without a true relationship with Jesus many will be fearful. Many will run in the wrong direction and will follow those who claim they are the Messiah. Yes, many will be fooled if they are living their lives without Christ.

Please listen to my heavenly pleas and prepare your soul now. Come to know Jesus, your Savior, so you are ready for each new battle. Come back to Church and take heed to the gospel. Let go of your old ways and become true believers. This time to take hold of your life will not last, so please do not wait turn to Jesus now. Turn to Jesus and accept, accept dear children, His love and mercy. Arise dear children and awake, awake now from your slumber. Arise and do your part so you are ready at all times.

I am still here to assist you, so please take my hand and be obedient to Almighty God. Be true helpers and light the way for all your brothers and sisters. I am here to encourage you, for again I say, the time is drawing near. Each new day is so special, so please, please stay awake and do your part by sharing those gifts that God has given each of you. Go now, faithful servants, and restore peace and unity to this world. Amen.

MESSAGE #2438 from the Blessed Mother January 31, 2003

My daughter, Many are preparing for war but very few are preparing their soul. How I weep for those who are living in sin and who are refusing to cleanse their soul. Dear children, repent and believe in the Gospel. Repent and believe in God's love, mercy and forgiveness. Repent now if you are not obeying God's commandments. Repent now if you are living your lives without Christ. It is time to truly repent and be sorry for your sins. It is time to take hold of your lives so you are ready and prepared for each new battle. It is time now to put on your armor and to use the protection God has provided for you. It is time to amend your ways and to truly, truly build your relationship with our Lord. You will not survive if you are choosing to walk alone. There will not be victory if your soul is not prepared. Peace will not reign in your hearts until you surrender and allow God to be in charge of your lives.

Today, I am asking that all my children turn to God. I ask that you get down on your knees and ask, ask for God's assistance. I ask that you pray more, especially for your leaders and for those who are preparing for war. Many today do not pray and they are making decisions on their own. Many do not realize the power in prayer. Prayer and true devotion to our Lord can lessen what is coming your way. If you refuse to do what I am telling you, you will draw serious consequences upon your land.

The time is growing shorter, so please do not wait. Live these messages and pray, pray from your hearts. Pray the Rosary together and teach others to do the same in the proper way. Pray slowly and meditate on the mysteries. Focus on my Son when you pray and then take time to converse with God. There will be a terrible punishment if you don't join hands and pray.

You each have a choice to make so be wise and live these messages. Respond with love in your hearts and do all that you can to promote peace around this world. Prayers, sacrifice and penance truly, truly appease Almighty God. Your actions, dear children, must be more pleasing to God. Now, please take Jesus with you wherever you go and be strong warriors for our Lord. I need each of you to be strong in your faith and to join hands now. Daily Mass, penance and fasting will truly strengthen you, so please, please respond now by truly taking these messages more seriously.

This is a time of great tribulation, so please turn to God and accept, accept my motherly assistance. I am truly here for all my children, so please listen, listen to my messages and begin today to live them. I am ever so near to my Son, so be at peace and accept our love for you. Amen.

MESSAGE #2439 from the Blessed Mother February 4, 2003

My daughter, Please continue to share all that I am teaching you so more come to know our dear Lord, Jesus. In time, all will understand these messages, which are imbedded in your heart. It is truly time now to live these messages, which have been so graciously given you.

So please tell my children to gather weekly and pray, pray the Rosary. Tell my children to come to Mass, and listen closely to the Gospel. Tell my children to receive Jesus in the proper way, and to cleanse their soul if they are living in mortal sin. Many blessings will occur if my children continue to gather in those groups that I have formed. Pray and fast, dear children, so you are given the strength needed to move forward. God's love will truly shine through you if you do what I am asking of you. God has opened many doors, so please be grateful and move forward with love and joy in your hearts.

In order for me to accomplish my plan for peace, each of you must pray and do your part. You must love all your brothers and sisters and pray for those who do not understand my role on this earth. You must pray daily and form groups all around this world. You must help those who are just coming to know me, so they truly come to know Jesus. You must make time to gather in your homes and support, support one another. Through prayer and your response, more souls will be saved. There is no time to be lazy, so please listen to my motherly advice. Listen, and allow the Holy Spirit to guide you. With your help much more can be accomplished on this earth. As you move forward, I will truly protect you and cover you with my mantle. No harm will be done to those who truly respond with love in their heart.

Now please, understand, that those who do not want to hear the truth, they will attack the messenger. Please understand this so you do not lose hope or confidence in Almighty God. There will be many trials and forms of persecution as you follow Jesus, but through this you will be strengthened. You will have joy and peace the closer I lead you to my Son, Jesus.

So go forth and stand strong in your faith, so you do not give in to the evil one. I am truly by your side, and each time you gather I will pray with you, and bring your petitions to my Son. Trust now. Trust; trust in my Son, Jesus. Amen.

MESSAGE #2440 from the Blessed Mother February 6, 2003

My daughter, Do not give up or give in to Satan's lies, for your hands and voice are truly needed. Each message that you write will truly help those who are living a lukewarm life. Each message is so important because it is God's way to make the gospel known.

This time cannot be wasted, all must go forth and evangelize and make the truth known. Those who are hungry will be led in the right direction if you each do your part. Time moves quickly, so please do what God and I are asking of you. Be brave soldiers for Christ and share your faith. Share all that I am teaching you, and let the world know that I am truly here to assist all my children.

MESSAGE #2441 from the Blessed Mother February 10, 2003

My daughter, Be grateful for this time in which God has allowed. Be grateful and use those gifts God has given you.

Today, I ask that all my children be grateful so you do not lose hope or confidence in Almighty God. Each time you pray, give thanks to God and be truly sorry for your sins. Be truly sorry for your sins and strive to do your best each new day. God will truly be by your side if you listen and obey Him. God will truly guide you if you ask, ask for His assistance. Those who are prideful are choosing to walk alone. Those who gossip and judge others truly offend God.

Today, I ask that you turn to God for strength. I ask that you do penance for your sins each new day. I ask that you look to God when you feel weak. God will truly help you through those difficult moments if you trust and rely on Him. So many today do not trust in God. Many do not take time to read and study Scripture. So many today have lukewarm hearts.

Yes, hearts are becoming colder because many are refusing to pray or take time to be with Jesus. In order to grow and blossom for Our Lord, you must love God more than your selfish desires. You must turn to God each new day, not just when you feel like it. You must turn to God instead of seeking consolation and strength from people. You must build your relationship with Jesus in order to do what I am asking of you.

Please do not keep your distance from God. Be true believers and make time to be with Him each new day. Reform your ways and seek to be meek and humble, humble children. Desire only what God desires for you and be hope-filled children. Allow God to have complete control of your lives, God will then dwell in you and you will have joy and peace. Today is the day to begin, so please open your hearts so that God can enter more fully. Ask, ask for God's guidance and you shall receive.

Now, please be little children of God and be open to His love and mercy for each of you. Seek to live in His truth and be more grateful for this time to truly, truly come to know Jesus. Now, go forth and be joyful children so that God's love and peace flow from your hearts. Amen.

Soon, change will occur, and you will need to be strong, strong in your faith. The earth will tremble, and you will need to help those who allowed themselves to become distant from God. God will soon wake His children, for many, many are still sleeping.

MESSAGE #2449 from the Blessed Mother February 26, 2003

My daughter, I desire to protect all my children, but many today are refusing my assistance. Many are not taking heed to the Gospel. Many are not praying because they question whether God exists. So many are walking alone and are truly, truly on the wrong path. What will man do when God shakes this earth? What will man do when they see their soul? Many will try to hide behind closed doors. Many will be severely punished for refusing to obey God's commandments. Many Priests will suffer because they did not believe in my Son's words of mercy to mankind. Yes, many will suffer if they do not repent and turn their lives around.

I pour my tears of blood over this world. So many youth and children do not know where the truth lies. Many are not being fed and many Priests are not teaching my children the truth. Sin has become widespread, yet my Priests remain silent. Parents are behaving like children and they are not making time for their children. Children no longer have respect for authority.

Days of darkness will cover the earth and how, how this world will tremble. It will tremble because sin has become widespread. God's Justice will prevail and all will need to be in a state of grace. I am asking each of you to pray, pray more. I am asking everyone to pray and atone for the sins of this world. I am asking for a response so more souls are saved. With tears in my heart I plead, plead with you today; unite yourselves to Jesus' suffering heart. Unite and gather in those groups that I have formed. Pray and implore mercy for mankind. Spend time, time with Jesus and then keep your hearts open to whom God sends to you. Do not turn others away, welcome all my children. Invite them to Mass and Rosary and share all that I am teaching you. Share my words of love and let all your brothers and sisters know that I am truly here in a special way.

Take part in spreading these messages across the world. Take part so the Gospel can be made known. Pray and do penance each new day to appease God's wrath. Pray and fast and get down, down on your knees. I speak today with tears in my heart because I truly see what is happening behind closed doors. Much evil is taking place and this world, dear children, is in danger. Many weapons are being prepared and soldiers are being trained in the wrong way. So many innocent children are armed and ready to attack. Satan truly loves war and many leaders are listening to the evil one. Many leaders are blind and they truly, truly need your prayers.

My daughter, do not hide what I tell you. Tell all my children to pray, pray more. Tell my children to pray more or many nations will disappear off the face of the earth. There is no time to hide these messages, for they are truly for the world. Now please continue to write and relay my messages to the world. Through your suffering, more souls will be saved. My daughter, pray, pray with me today. Pray and be willing to be persecuted for sharing the truth. Pray, pray for the Church. Pray that more will take heed to the messages that are given you. God's mercy is great, but mankind must repent. Pray, pray with me each new day. Amen.

MESSAGE #2450 from the Blessed Mother February 28, 2003

My daughter, Tell my children to armor, armor themselves with the Rosary. Prayer is your protection and it will truly shield you from the enemy. In order to be true soldiers, your armor must be strong. The battle cannot be won, if you are refusing to pray, and spend time with Jesus.

I am warning my children, the enemy is vicious and you must prepare yourselves now. You must stay very close to Jesus, and pray, pray more. You must use the protection God has provided for you. You must receive the Sacraments often, and live, live a holy life. Without a strong faith, you will give in, in to the enemy.

I need this army of mine to be strong, humble and prayerful. I need this army of mine to march in unison. Please join hands and work together, and be willing to take the front line. Be willing to share your faith at all costs, and use your hands and voice for Christ. Each battle will then be won, and the enemy, dear children, will be destroyed.

I will continue to guide you all to the path of God, but you must listen now and truly respond. You must obey God, and take heed to the Gospel. You must accept God's Grace, and do what He is commanding you to do. You must be loving children, and pray for your enemies. You must allow God to enter your hearts, so that He can teach you to be more loving. You must spread my messages of love to the entire world. Yes, you must each do your part in order for this world to change.

So please unite and put aside all differences. Unite, and be patient with one another, so God's love can shine through you at all times. Go now with peace in your hearts, so that love and joy will be spread around this world. Amen.

MESSAGE #2451 from the Blessed Mother March 5, 2003

My daughter, I am with you, so be at peace.

As Lent begins, I ask that you offer your pain and suffering to our Lord. I ask that you stay very close to Jesus' Most Sacred Heart. It is only God who can truly comfort you on those days when you feel alone. Silence is what I am asking of you, so please do not let others distract you.

Turn to God each new day and give your entire self to Him. Surrender yourself completely to God, and keep, keep your heart open to all that He is asking of you. Listen to the truth and respond with love and joy in your heart. This is the time to grow in holiness and to move closer, closer to my Son, Jesus. This is the time to be strengthened so you can carry the cross and embrace it. Through your example and humility, others will come to know Our Dear Lord, Jesus.

Now, please allow Jesus to bring you closer to His Most Sacred Heart. Through your faithfulness and obedience, souls will be saved. Glorify my Son now through prayer, sacrifice and acts of love. Glorify my Son and follow Him in His Passion. Amen.

MESSAGE #2452 from the Blessed Mother March 6, 2003

My daughter, Please continue to write and relay my words, for many are starving and they need to hear the truth. The truth must be made known and all must awake from their slumber. Those who are hungry will be fed, for I will truly lead them closer to my Son, Jesus. They will come to know that Jesus is truly present in the Eucharist. They will come back, back to Church and they will come to know the importance of receiving the Sacraments. Yes, all who will listen to my heavenly words will grow in holiness.

I am truly here now to make the gospel known, for so many are sleeping. Many are taking the easier road, which is pulling them away from God. Many are choosing to live in sin because of selfishness and pride. I say to all my children, do not allow self-deceit to pull you away from my Son. Do not allow Satan to rule your lives. Do not listen to Satan's lies, do the opposite of what he is telling you. Protect yourselves with prayer and come to Mass more often. Confess your sins regularly so you have the grace needed to live a pure and holy life. Be willing to take the first step and forgive, forgive those who have hurt you. Examine your actions and be more loving and forgiving to those around you.

Use this time of grace wisely and begin today and change your ways so you are more pleasing to God. Now please accept God's love, that He has for each of you. Accept this love by truly, truly responding to all that God is asking of you. Surrender all to Him and allow God to be first in your lives. Give to Him your hearts and ask for guidance each new day. Now please trust in God and follow, follow His way. Amen.

MESSAGE #2453 from the Blessed Mother March 7, 2003

My daughter, Please tell my children to slow down and take more time for prayer. Prayer is so important, especially in this time of unrest. Many today do not understand how important it is to pray, fast and spend time conversing with God. If my children truly understood the importance of prayer, they would pray, pray, pray more. They would gather their children each new day and pray together as a family. Prayer, dear children, can truly lessen what is coming your way. Through prayer and a true devotion to our Lord, the evil one's plans can be destroyed.

Please understand that each one of you must do your part, in order for there to be peace and unity around this world. Please join hands and unite with me in prayer. Pray for peace, pray for unity, pray that more will come to know our Lord. Pray that more will turn to God each new day. Pray for my Priests, for their voice and consecrated hands are truly needed, needed now. Pray that more will devote more time in feeding their flock. Pray and fast for my beloved Priests so they are not tempted to take the easier road. Pray, pray for the sins of this world.

Again I say to you, you are each called to pray. Please, I say to you, love and prayer is the only way to peace. Prayer and love will appease God's wrath. Dear children, are you listening? If so, then please, please respond today. Please take heed to the Gospel and reform your ways. I am your Heavenly Mother, please take seriously now, my call to prayer and devotion to my Son, Jesus. Amen.

MESSAGE #2454 from the Blessed Mother March 10, 2003

My daughter, I am here, here for all my children, so please listen and respond. Respond with love in your hearts and do all that you can to build your relationship with Jesus. Today, I ask that you focus on Jesus in the Eucharist and trust, trust in Him. I ask that you confess your sins more regularly so you receive Jesus more worthily. I ask that you pray more and truly believe that God hears your prayers. It is so important to depend on God to lead you each new day. Be obedient children and obey, obey each commandment. Surrender to God's Will at all times and truly be submissive to all that He is asking of you. Please let go of all pride and simplify your lives. Do not be slaves to pride and materialism. Do not step ahead of God; allow Him to be in control, control of your lives. Spend time, time with Jesus and adore our Lord in the Most Blessed Sacrament. The answers will then be given to you and you will grow in holiness.

I plead with my children today to truly take heed to these messages. I plead with my children because so many are giving in to their desires. So many are not prepared and are being tempted to take the easier road. Satan is desperately in search of souls and he will truly grasp those who are not taking heed to the Gospel. So be wise, dear children, and listen, listen to my heavenly pleas. Be wise and obey God and build your relationship with my Son. Go forth now and live your faith and be humble, loving children. Amen.

MESSAGE #2456 from the Blessed Mother March 13, 2003

My daughter, Tell my children to continue to pray for peace and unity to be restored around this world. Tell them to pray each new day, for all is not peaceful. Much fighting is taking place in many, many countries. Much more bloodshed will occur if my children become lax in their prayers. Much more evil will enter this world if my children become too busy to pray.

Please, dear children, fast and pray and live peaceful lives. Be kind to your neighbor and love all your brothers and sisters. Be meek, humble, loving children. Imitate Christ in all your ways. Put on your armor of love and pray for those who are choosing darkness. Pray for those who are refusing to come to know Jesus. God truly loves each of you and wants you to live in peace, so please respond and pray so you move closer, closer to Almighty God.

Love and peace will be restored if you are each willing to do your part. Peace cannot exist if you are unwilling to love, obey and serve Our Lord. Move forward now and respond by accepting God's grace and love that He has for each of you. Amen.

How I weep when I see so much bloodshed around this world. How I weep, for so many soldiers are not prepared. I weep, weep for my children because so many do not know God. So many are living in sin and they are not prepared to meet Almighty God. Many do not realize that this earth is only temporary.

How I weep, weep for my children because so many have allowed their hearts to become cold. So many of my children are becoming further away from God. So many do not pray or take time to adore God. God has been very patient with His children, yet so many are still living, living in darkness.

Today, I ask that my children take heed to my motherly requests. I ask that you get down on your knees and pray, pray more. I ask that you listen now or the road will become much more difficult for you. This time that I can be with you is truly a blessing from God, so please do not abuse this time by ignoring these messages.

Do not neglect my Son's requests. Repent and change your ways now. Relearn your Catholic Faith and obey God's laws. Turn away from sin and cleanse your soul more often. Come to Mass as hungry children so you are fed and nourished. Let go of any bad habits and work on those areas where you are weak. Be humble, loving children and allow God to be in control of your lives. Do penance for your sins and respect, respect life.

Life is your gift, so please cherish it and take a stand for life. Witness to those who are performing abortions. Witness to those mothers and fathers who are choosing death to their children. Witness in love and pray with those who are so confused. Prayer is how conversion will happen. Prayer will truly help save lives.

Prayer is the answer, so please continue to gather and pray in those groups that I have formed. Each time you gather and pray, souls are being saved. Please fill the Church and pray, pray, pray more. Each time you gather and pray, I will truly shower you with my Grace. I will protect you and take your petitions to my Son, Jesus. I will truly be with you in a special way and you will feel my presence. So, please listen carefully and respond now to my motherly call.

Dear children, this is why it is so important to reach out to all your brothers and sisters. Reach out and rescue those who are sleeping. Reach out in love and share, share your faith. Do not wait for storms to arise, help your neighbor now. Teach others how to pray the Rosary and share all that I am teaching you. Share God's love to all mankind and live, live the Gospel. It is truly by your example that more will awake before it's too late.

I do not want my children to suffer, but if one continues to live in sin, one will suffer, suffer tremendously. One will not know what to do when God shakes this earth if they relied on their wealth for happiness. Yes, many today are living their life alone. Many are dependent on their wealth and are not making time to be with God. Many say they pray at home but their prayers are not from their heart. Many are only asking for more wealth and this does not please God. Many today are searching for happiness but they are not turning to God.

I say to all my children, prepare, prepare now. Get your life in order and live, live more simply. Get off your throne and become servants for our Lord. Turn to God and ask Him to help you be more humble. Turn to God and depend on Him and not the world. Turn to God and ask Him for the strength needed to live a pure and holy life. Turn to God so you have the Grace needed to make better choices on this earth. God will truly assist those who seek His counsel and guidance. God will truly touch you in a special way if you accept, accept His love and guidance.

Each of you need God's assistance, for it is impossible to walk alone. You need God's protection, for so much evil roams this earth. Many terrorists will seek revenge and you need to be armored in the proper way. Many hands will be needed, so please prepare your soul now. Nourish and cleanse your soul so you have peace when storms arise. Please wake up now and ask God to be in control of your life. Ask God to increase your faith so you do not give in to the evil one.

The time, dear children, is now, so please stay awake and respond and listen to my motherly advice. Time is becoming shorter, so please build your relationship with Jesus and pray, pray, pray more. Amen.

My daughter, No matter how dark it becomes, my children must go forth with love, joy and peace in their hearts. They must not give up or give in to the enemy. They must be brave warriors for Christ and be willing to be persecuted for speaking and living the truth.

The enemy wants each of you to give up, so please, please stay close to Jesus. Stay prayerful and pray for those who are refusing to live the Gospel life. Stay humble and do not judge those who are refusing to accept my motherly assistance. All must turn to God, repent and do penance for their sins. All must take refuge in Jesus' Most Sacred Heart. All must depend on God and seek His guidance. MESSAGE #2476 from the Blessed Mother May 12, 2003

My daughter, Time is short and my children must wake up soon. They must obey, obey God's commandments. They must turn away from sin and amend their ways now.

How I weep for the youth, for many today are falling further away from God. I weep for those parents who are not teaching their children the truth. I weep for those parents who are remaining silent when they see their children living morally wrong. Children today need to hear the truth, and they need to be reminded that they have a soul that needs to be cleansed and nourished.

Dear parents, do not remain silent when you see your children doing wrong. Let them know how many wounds they are adding to Jesus' Most Precious Body. Let them know that you truly care for them and that you are concerned for their soul. Don't give up on your children, teach them right from wrong. Pray everyday for your children so they turn to God and make the right choices on this earth.

Just as I repeat myself to each of you, you too must do the same. Be firm and strong in your faith and encourage your children to pray with you. Don't ignore those children who are living in sin, for they truly, truly need your help. They need parents who are not afraid to make the Gospel known. They need parents who are truly living their faith so they can follow their example. A parent must never become tired of teaching their children. A parent must live their vocation to the fullest and they must speak and witness in love.

Dear parents, you will have to answer to God if you remain silent when you see your children doing wrong. It is time now to wake up and take hold of your family. It is time now to help me rescue those children who are not prepared to meet Almighty God. Each of you need to do your part, so please witness in love and take part now in healing Jesus' wounds. Without your help, your children will only fall further away from God. This time to take hold of your family will not last, so please ask God to guide you so one day you can be together in Heaven for all eternity.

Be grateful now for this message, for it is truly a reminder for each of you. If you truly love Jesus, then imitate Him in all that you say and do. The days ahead will become more difficult for you if you don't respond and take hold of your family. There is no longer time to be fearful, so please live your vocation and be the parents God intended you to be. Do not neglect prayer, turn to God and the answers will be given to each of you. God is on your side, so please seek His guidance and begin today and live your faith so evil can be destroyed.

Parents, please work together and offer yourselves to my Son in reparation for all the offenses made against Jesus' Most Sacred Heart. Offer yourselves to my Son, and your hearts will be filled with love, truth and peace. Amen.

MESSAGE #2477 from the Blessed Mother May 14, 2003

My daughter, This is a time of great purification and a time of many Graces, so please continue forward. Continue to do what God and I are asking of you.

This time is so precious and many souls are in danger. Assistance is needed, so please tell my children to take part in saving souls. Take part by being true Christians and spread your faith wherever you go. Use your hands to help those who are in need. Use your voice to help those who have been led astray. Pray from your hearts and love and serve one another. God is asking this of all His children, so please respond without hesitation. Respond and obey God's laws and live, live the Beatitudes. Live in harmony and peace and be role models for those who are choosing darkness. Be loving and forgiving and partake of the Sacraments often. Satan will devour those who do not have God in their lives, so please be an example and share your love of knowing Jesus.

It is time now, to live all that I am teaching you. It is time to share your faith and to truly live the Gospel. A great darkness will cover the world, so please, please take these messages more seriously. Those who were proud and who were not faithful to God will have much fear. They will not see light, only darkness. The time will come, and you will each need to be strong in your faith. You will need to have trusting hearts and complete confidence in God. Those who obeyed God will have peace in their hearts, for God will not abandon them. The Angels will light the way and Saint Michael the Archangel will protect you. Saint Michael's sword is mighty and he will truly defend you in each new battle. All of Heaven will assist those who have been true warriors for Christ.

Today, I must remind my children that God's Justice will prevail. I must remind my children so that laziness does not enter. So please be true to God and do all that you can in this time of God's great mercy. I am ever so near to my Son, so please, please dear children, stay close to Jesus' Most Sacred Heart. Pray the Rosary each new day and go forth now and live each day for Jesus Christ. Amen.

MESSAGE #2478 from the Blessed Mother May 16, 2003

My daughter, Please continue to write and relay my messages so more souls see light instead of darkness. Darker days will come and we must rescue those who are sleeping.

Prayer is truly needed, so tell my children to form groups and pray, pray with one another. Tell my children that it is time now to join hands and form groups all around this world. Please join together in unity and form groups, holy groups, so evil can be destroyed. When you come together for prayer, keep your focus on Jesus. Keep your focus on Jesus and you will truly come to know His love for you. Prayer and sacrifice on your part will truly make a difference in this world.

In times to come, you will need each other, so begin now and form holy groups. Begin now, for this is the preparation time and you will each need to be strong in your faith. You are ready now, dear children, so please take heed to my motherly requests. Ask the Holy Spirit to lead you so you are guided in your group. Ask God to use you in a powerful way so more souls can be saved.

Just as I have formed groups around this world, you too must do the same. You must pray for your Priests, for their hands will be needed when God shakes this earth. Their hearts will need to be open, for many, many will be coming back to Church. Many will run for shelter and they will need to understand God's love and mercy. They will need to be taught the truth so they turn to God.

Dear children, there is no time to be lazy, you each need to do your part so God's plans can be fulfilled. You each need to pray and join hands and take part in forming groups all around this world. In time you will understand, so please obey and respond now. Do not fear those who mock you. Be brave, turn to God and seek only His approval. Do not fight evil with evil, be loving, humble children.

Now, please reflect on God's love for you and remain faithful and loyal, and place your trust in Him. God is all merciful. God is the Almighty. Amen.

MESSAGE #2479 from the Blessed Mother May 20, 2003

My daughter, Trials will come and go, so please stay strong and prayerful. Stay close to Jesus and turn to Him for answers. God will truly light the way, so please seek His counsel so you do not become discouraged.

Satan loves war and he is truly trying to destroy the family. Satan knows his time is up soon, so he is doing all that he can to pull my children away from God. Satan will succeed if you give up on prayer and confidence in God, so I say to my children, pray more. Pray together as a family and receive the Sacraments often. Use the protection God has given you and armor yourselves each new day. Be kind and loving and do not fight with those who have turned their back on God. Fighting will only cause much more division and turmoil in your home.

It is time now to rely on God so that He can teach, guide and protect you. It is time now to truly live all that I am teaching you. Give your entire self to Jesus and trust, trust in His merciful love. Give all of your hearts, in prayer, to Him and you will be given the strength to persevere through all storms.

Take courage now and allow Jesus' love to warm your hearts. Take courage, pray fervently and trust, trust, dear children, in God's mercy and love. Amen.

MESSAGE #2481 from the Blessed Mother May 21, 2003

My daughter, It is time for Catholics to relearn their Faith. It is time, for many do not know the truth. Many today have been misled and they are not living their Catholic Faith. Catholics must believe that Jesus is truly present in the Eucharist. They must believe with their whole heart so they truly know who they are receiving when they go to Communion.

Dear children, there are rules to follow and if you don't obey them, you cannot receive God's Grace. If you are living in mortal sin, you must repent and cleanse your soul. You must do penance for your sins and be truly, truly sorry. You must live the Gospel and obey God's laws. You must come to know the true meaning of the Sacraments in order to understand God's love for you. You must pray and study Scripture in order to grow and blossom for our Lord. You must believe in the Blessed Trinity and allow God to dwell in you. You must be true believers in order to live your Catholic Faith. You must be hungry, hungry children so that God can teach you and nourish your soul. God cannot teach you if you are not willing to learn. Please, dear children, do not allow the world to feed you lies. Listen to your Most Holy Pope and obey Church teaching. Obey God's laws and do not live lukewarm lives. Obey God now and relearn your Faith if you are making up your own rules to fit your lifestyle. There is no longer time, dear children, to be denying the truth. You must wake up, wake up now, for time is running out. The Gospel must be spread and this cannot happen if you are denying the truth.

This world is in danger and you must each do your part. You must live your Catholic Faith in order to receive God's Grace. How one will suffer if they are neglecting their soul. I need your assistance, so I am asking each of you to respond today. I am asking that you turn your lives around and obey, obey, obey now.

The warning will soon come and each person will see their soul. You will have but little time to change, so please, please, dear children, cleanse and nourish your soul. Please obey God and make the necessary changes in your life now. I am here to assist you, so please take my hand and open your hearts to Almighty God. Amen.

MESSAGE #2482 from the Blessed Mother May 23, 2003

My daughter, God is your strength, so please be patient and accept each new cross that is given to you.

Each child, that follows Jesus, must be willing to take up their cross and be persecuted for living their faith. Each child must understand that when they turn to God they will never have to carry their cross alone. My children must understand that they must not try to separate the cross from their life. They must accept each new cross and trust in God's mercy and love.

It is through each new cross that you will be strengthened and led closer to my Son, Jesus. I am asking each of you to continue forward no matter how heavy your cross may feel. I am asking that you persevere and listen daily as God speaks to you. This world will only become darker if you give up and lose trust in God. Please listen to my heavenly pleas and stay strong, strong for Jesus.

Accept God's Will in your life and trust, trust in His goodness. Love Jesus and trust in Him, and He will truly grant you His peace. Love Jesus more than your desires so you remain strong and joyful. Stay close to my Son and you will receive the Grace needed to live a pure and holy life. You will be protected and guided if you remain strong warriors for Christ. The earth is trembling and in time each person will have to answer to God. There will be no more excuses, for God will cleanse this world. Much wealth will be taken away and many will have a difficult time if they did not place their trust in God.

There will be consequences for sin, so I tell my children, amend your ways now. Believe in the Gospel, as it is truly unfolding now. Believe that God is merciful and that His Justice will prevail. Believe in God and repent and turn your life around. Don't wait until the last minute, prepare now.

Prepare your soul and be ready at all times. Have hope and trust and believe, believe in God's merciful love. Keep your eyes on Jesus and not on this world. Pray more and come to Mass as often as you can, for this is how you will be able to carry your cross with joy and love, love in your hearts. Amen.

My daughter, Go forth, go forth and make the Gospel known. Go forth and share all that I am teaching you. All must come to know the truth, so please continue to do what God and I are asking of you.

This world needs to wake up so more go forth and live their faith. This world has but little time to convert and turn their lives around. This time is so precious, so do not be foolish. Be wise and amend your ways now. Repent of any wrong doing and ask God to guide you on this earth.

Please, dear children, open your hearts and seek the light of eternal truth. Open your hearts so that God can enter and mold you. Open your hearts and be dependent on God for all your needs. Be prayerful children and take time to converse with God. Be prayerful children and spend time adoring Our Lord. Please pray with your heart and He will guide you on this earth.

Today, I plead with my children, for the time is soon at hand. The hour is near and you must not doubt in God's mercy and love. MESSAGE #2485 from the Blessed Mother June 2, 2003

My daughter, I am here to assist my children, for so many are on the wrong path. Many are sleeping and are giving in to the evil one.

I say to my children, take refuge now in Jesus' Most Sacred Heart. Take refuge now and awake, awake from your slumber. Turn to God and believe, believe in His love for you. Don't allow the world to feed you lies. Believe, believe that God truly exists. Believe and take refuge in Jesus' Most Sacred Heart. The time has come and all must repent and do penance for their sins.

Today, I must warn my children so more awake and turn to God. I must warn my children, for change is needed to appease God's wrath. Without change and a true desire to live a holy life, the mountains will shake and the sea will roar. God is not happy when He sees so many children living, living in sin. God is not happy and change must happen, happen soon.

Much prayer is needed, so please gather and pray that more will amend their ways. Gather and pray from your hearts and witness to those who are choosing darkness. Witness in love and invite others to those groups that you form.

Today is a day to gather, so please pray the Rosary slowly and keep your focus on our Lord. I will truly be with you as you gather and pray, pray from your hearts. I will truly be with you, so please respond with love and joy in your hearts. Amen.

MESSAGE #2486 from the Blessed Mother June 3, 2003

My daughter, Purity, purity is needed in order to live a holy life, so please tell my children to be pure and to keep their focus on Jesus. Please tell my children not to offend my Son by giving in to worldly ways.

Each child must be an example for others and dress more modestly. When you come to Mass, please dress more appropriately. Keep your skin covered and teach your children to do the same. Keep your focus on Jesus and I promise you, you will know in your heart what is wrong and what is right. You must always be on guard so that you do not lead one another into temptation to sin. Be on guard, for Satan is sly and he will truly, truly tempt you. Be prayerful children and live pure, holy lives consecrated to God. Be prayerful children and obey, obey God's laws.

Focus on Jesus in the Eucharist and ask my Son to heal you in those areas where you are weak. Ask, ask my Son for guidance and then trust in the direction He is giving you. Adore my Son in the most Blessed Sacrament and ask Him to help you turn away from your sinful ways. Ask and then believe that my Son will truly, truly help you.

Please be little children and be dependent on God. Please be little children and simplify your lives and live for God. Please reflect on this message so you stay strong for Jesus. Let us pray now and trust, trust in God's wisdom and most tender love. Amen.

MESSAGE #2487 from the Blessed Mother June 5, 2003

My daughter, Make your day a prayer and offer your suffering to our Lord. Healings will then occur and many will turn their lives around.

Many today do not understand the importance of prayer. If they truly understood, they would pray, pray more. They would spend time with Jesus and pray, pray from their hearts. This is why I am asking my children to form groups all around this world. So many are in need of prayer, for they are falling further away from God.

With the help of my faithful children, souls will be saved. With the help of my children, Priests will not give up and they will use their hands and voice for Christ. Prayer is what will keep evil away, so please, please, dear children, pray more. Pray for all vocations so more turn to God for guidance.

Dear children, you must light the way through prayer, fasting, penance and sacrifice. Through commitment on your part, souls will see light instead of darkness. God has allowed this time for more prayer, so please assist me before it's too late. Please assist me in bringing souls out of darkness. Assist me now or darker days will come.

Storms will arise, so prepare, prepare, prepare now. Make room for God in your lives and invite others to those groups that you are now forming. Trust in God when you pray and you shall have peace through all darkness, trials and storms.

I am truly with you now, so please respond by taking part in forming groups throughout the world. Be faithful to me and my Son. Be faithful, receive the Sacraments, receive my Son. Amen.

MESSAGE #2488 from the Blessed Mother June 6, 2003

My daughter, Jesus' Heart is overflowing with love and mercy for each and every soul, so please tell my children to accept His love and His mercy. Tell my children to seek refuge in my Son's Most Sacred Heart. Tell my children that the world is no longer safe and that it is impossible to walk alone. All must turn to God if they truly want to be protected on this earth. All must turn to God if they truly want to be led in the right direction.

My daughter, listen to my weeping, for my heart is full of sorrow for my children. My heart bleeds for those who are refusing to wake from their slumber. What will it take to wake those who are choosing darkness? So many are choosing hell because of their refusal to repent and amend their ways. This is the time of Divine Mercy, yet so many are living in mortal sin. My daughter, the time is drawing near so do not grow tired. Listen to those whom God has sent to you and write and relay my words. Write each time I come to you so these messages can be spread across this world.

There is no longer time to ignore God's warning. All must repent and turn their life around. All must pray more and cleanse their soul if they are living in sin. Those who are not obeying God's commandments will suffer tremendously. They will have but little time to amend their ways when they see their soul. Many will not be ready if they don't begin now. I pour my tears over mankind because you are each so special to me.

My beloved Priests must no longer be silent. They must live the Gospel and be an example for their flock. They must speak the truth and use their hands and voice for Christ. They must be willing to take the front line. They must be willing to spend more time in the confessional so more can cleanse their soul. They must teach their flock the importance of receiving the Sacraments. Priests must do their job and truly live their vocation. They must be willing to suffer so the truth can be made known. They must say the St. Michael prayer, for evil has become widespread. Priests must do their part in order to be true shepherds.

Please, I ask each of you, respond, respond now so more souls can see Heaven instead of hell. I am truly by your side and I am here now for each of you. Mankind must truly wake up in order to avoid catastrophes. If prayers and penance are not offered, evil will continue to grasp souls, so please take heed to my words, for I do not want to see souls perish.

This is the time of Divine Mercy, so please pray and atone and live, live your consecration. Pray and be willing to suffer for the salvation of souls. Amen.

MESSAGE #2489 from the Blessed Mother June 9, 2003

My daughter, Satan loves war and he is truly attempting to cause division amongst my children.

So, today I ask that you be kind and loving towards each other. I ask that you forgive those people who seek control and revenge. Through forgiveness, you will have peace and you will not be tempted to fight back. Those who are truly in union with God are prayerful, loving and forgiving. Those who are following Jesus' ways are patient, charitable and kind towards one another. Those who seek revenge are only hurting themselves.

Please, dear children, build each other up and allow only goodness to flow from your hearts. Allow only kind words to flow from your tongue. Allow God's love to shine, shine through you. Be merciful and pray for those who have hatred in their hearts. Be loving and do not allow Satan's venom to rule your lives. God is love and He is truly patient, kind and merciful. God is love and He truly wants each of you to have joy, love and peace in your hearts.

So, today examine your conscience and ask yourself, do I have peace in my heart? Do I speak kindly to those around me or do I treat others unfairly? Be honest, humble children and I promise you, love and peace will reign in your hearts. Joy will come if you are loving and live peaceful lives. Joy will come if you see Christ in each person. Many today are not living this message. Many do not examine their conscience. Many speak the truth but very few are truly living the Gospel.

Today, I am asking you to turn to God if there is not love and peace in your hearts. I am asking that you each be honest with yourselves. If you are not spending time with Jesus, then make time now. If you are distracted by those around you, then take quiet time and kneel before our Lord. If you are fearful and worried what others are saying about you, then turn to God and ask for His guidance.

Ask God to help you turn your life around instead of trying to change others. Ask and you will receive the answers from God. Ask God to truly help you and you will see the flaws in your life. Ask, ask, dear children, so that change can occur in your life. Ask and the door will be opened, the door to your heart.

My daughter, please make this message known, for each child has a heart that needs to shine, shine for others. Life is truly short on this earth, so please imitate Christ and be loving, humble children. Amen.

MESSAGE #2490 from the Blessed Mother June 11, 2003

My daughter, Say many prayers so that peace and unity can be restored all around this world. Pray, pray each new day, for there is much division taking place on this earth. Many are not listening to God and many sins are committed each new day. The forces of evil are strong due to lack of prayer and true devotion to our Lord.

Today, I am also asking Priests to pray, pray for their flock. I am asking Priests to join hands and pray, pray with one another. I am asking for more prayer, so please tell my beloved sons that they too must join hands and pray, pray with one another. The time is drawing near and you will each need to be strong, strong for Christ.

Many signs will occur as a warning to wake those who are sleeping. Those who deny God and who refuse to take heed to His warning will suffer, suffer tremendously. Earthquakes will shake this earth and they will cause much destruction especially in those areas where much sin is taking place. Man will no longer be able to hide and much will be taken away. God's Justice will be felt all around this world, for sin has become widespread. This world will suffer if man does not listen and amend their ways. Darker days will come if man does not change and repent of his wicked ways. Yes, many, many will suffer if they don't wake up soon.

Everyone must pray and do penance. All must repent and turn to God before it's too late. God's mercy will be great to those who repent. My chosen sons must not delay. They must gather their flock and pray, pray more. They must rescue those who have been led astray. I say to each of you, listen to the voice of the Holy Spirit and then do your part to save souls. Do all that you can now, for many souls are in danger. A great punishment will truly happen if you do not pray more and live, live the Gospel. There is no longer time to be silent, you must witness in love. You must teach others to pray, for it is through prayer that they will come to know Jesus.

Please take heed now to my motherly request, for I do not want to see souls perish for all eternity. Pick up your cross, pick up your sword and go forth now and live the Eternal Word. Go forth in love, pray and atone, and be true servants for our Lord. Amen.

MESSAGE #2491 from the Blessed Mother June 17, 2003

My daughter, I am here, so please write and relay my messages so more come to know our Dear Lord, Jesus. Many today need to hear the truth, so please do not delay. Set time aside to pray more so your focus is on Jesus and not the world. The world will pull you away from Jesus if you don't pray, pray more. All my children must do the same if they truly want to build their relationship with our Lord.

Each child must make time to pray and honor God. Without prayer and sacrifice, you cannot stay strong, strong for Jesus. Today, I must remind my children to pray, pray more. If you allow yourselves to become too busy, then your focus will not be on our Lord. Please take time to be with Jesus each new day. Please pray and then surrender your lives to God.

Listen to the direction God is giving to you and then respond with your whole heart. Respond so that more can be accomplished on this earth. Respond and be confident that God knows what is best for you. Respond by truly using those gifts God has given you. Trust in God and be dependent on His love, mercy and direction. A response is truly needed in order to take part in saving souls, so please take quiet time and listen, listen to God. Take quiet time and I promise you, God will fulfill His Divine plan in your lives. God will touch you in a special way if you make time, quality time, to be with Him.

Now, please obey and do your part so more souls can be saved. Through prayer and mercy, conversion will happen. Through prayer and true devotion to our Lord, you will be led in the right direction. Now, please keep your focus on our Lord so you grow and blossom. Keep your focus on Jesus and devote more time for prayer so you are true servants for our Lord. Amen.

MESSAGE #2492 from the Blessed Mother June 18, 2003

My daughter, Trust in God's loving care, for He will protect you and your family. God is love and He will truly help you through each new battle. Those who turn to God must also trust in His mercy and guidance. They must not doubt when trials come their way. They must turn to God with an open heart and trust, trust in His Divine Mercy. They must be confident in God's promise and trust, trust in His love.

Dear children, you must believe that when you turn to God, you are never alone. You must believe in God's love for you and be dependent on His care. You must turn to God throughout the day and be truly submissive to His Will. When you trust and turn to God, you will be given the strength and courage needed to persevere.

Now, please seek to follow Jesus no matter what trials come your way. Seek to follow Jesus and embrace your cross with love and joy in your hearts. Reform your ways and do not live lukewarm lives. Believe in God at all times and allow Him to guide you on this earth. Believe and pray and do not lose hope.

It is time now to move forward with joy and love, love in your hearts. I am with you, dear children, so please move forward now and be joy filled, humble and loving. Seek to imitate Christ and carry Jesus with you wherever you go. Amen.

MESSAGE #2493 from the Blessed Mother June 20, 2003

My daughter, Pray for all Cardinals, Bishops and Priests. Pray for all religious so they accept my motherly love and assistance.

Many today are not taking time to pray and meditate on the Rosary. If more would pray and meditate on the mysteries of the Rosary, evil would not linger. Satan is powerful and he will become even more powerful if you do not pray and be an example to your flock. Please, dear Priests, pray the Rosary, for prayer is your protection. Through prayer and true devotion to our Lord, evil will be destroyed.

My Son wants more prayers, so please, please listen to my motherly requests. Listen to what my Son is telling you and do what He is telling you to do. Be true followers of Jesus and pick up your cross each new day and live, live your vocation. This world is in danger and many will perish if you refuse to pray and teach your flock. My Son will truly guide you if you ask Him. My Son will truly direct you if you turn to Him. Do not be fooled by the evil one. Spend time, time with Jesus so you are fed. Spend time adoring our Lord and the answers will be given to you.

Dear Priests, I come to you because I am your Heavenly Mother. I truly care for you and want to assist you on this earth. I want to protect you with my mantle, but you too must do your part. You must pray, pray from your hearts, and be true servants for our Lord. You must pray for your flock and teach them the truth. You must be faithful to my Son and guide my children. You must not stray away from true teaching. You must be obedient to God and your Most Holy Pope. Obedience, prayer and sacrifice are truly needed in order to combat evil. Ask, ask the Holy Spirit to guide and enlighten you. Ask and do all that you can for the salvation of souls.

Fire will descend upon this earth if man continues to turn away from God. Many, many will suffer if souls continue to be destroyed. Listen to my messengers and prepare, prepare now. Be attentive, for God is truly warning His children now. Blessed will be those who are listening to God, for they will have nothing to fear. Woe to those who are not shepherding their flock, for they will have to answer to God. Pray for the Church so more use their hands and voice for Christ.

There is no longer time to follow your desires, you must each imitate Christ and be an example to all mankind. You must pray and do penance and be willing to serve Christ at all hours. God is sending many punishments and epidemics so more will pray and turn to Him before it's too late. Will you please see the signs before you and pray together and live, live the Gospel. Wake up from your slumber and take heed, take heed now to my motherly call.

Listen, dear chosen sons, to what I tell you. Listen and respond, for the time is drawing near. Just as you need my assistance, I too need yours. I need Priests who will go forth and speak the truth. I need Priests who will pray and fast and be willing to teach their

flock. With tears in my heart, I am asking each of you to pray and do your part for the salvation of souls.

My daughter, pray with me today. Pray for Priests, pray for all religious. Pray and make this message known. Amen.

My daughter, God is truly asking His children to pray, pray more. So when you gather, bind your Rosaries around this world. Bind your Rosaries around those souls who are furthest away from God. Satan is vicious and he will attack wherever one is weak. Teach my youth so they make better choices on this earth. Teach them to live holy and chaste lives. Teach all who will listen so more turn to God before it's too late.

Please heed my words of truth, for the time, dear children, is drawing near. God will not have mercy on those who are destroying lives, so please, please respond and pray, pray more. Respond by doing your part so more souls can be saved around this world. Prayer and action on your part can truly save souls, so please do not abuse this time, do more. Do not become lax in prayer, pray more. In time you will each have to answer to God, so please do not be lazy children.

Now, please implore God's mercy and adore Him in the Most Blessed Sacrament. Spend time with Jesus and do all that He is asking, asking of you. Life is your gift, so please be more thankful and do all that you can to save souls. Be thankful for God's goodness, mercy and love. Amen.

MESSAGE #2503 from the Blessed Mother July 16, 2003

My daughter, Tell my children they must be faithful to prayer, fasting, sacrifices and the Rosary. Tell my children this is what will keep them strong and close to Jesus.

Much evil lingers in this world and without the proper armor you cannot stay strong, strong for Jesus. Mass is the greatest prayer, so please make time and allow God to nourish you. Allow my Son to live in your hearts so you do not wander away from true teaching. The world will try to pull you away, so please stay close to Jesus' Most Sacred Heart.

Live all that Jesus is teaching you so you are an example to others. Without true love in your hearts, you cannot live the Gospel. MESSAGE #2504 from the Blessed Mother July 18, 2003

My daughter, Tell my children to live their life in full union with God. Tell my children to turn away from sin so that I can truly help them on this earth. Those who are living lukewarm lives cannot advance. Their hearts must be open in order to receive the direction needed to live holy lives.

All must be dependent on God so that change can occur, occur in one's life. Many today close their hearts when God is asking them to turn their life around. Many do not want to give up their worldly ways. Many today do not have peace in their heart because they are refusing to allow God to be in control of their life.

Please, dear children, repent and turn your lives around. Repent and seek God so you are not walking alone. Turn to God so that He can help you in those areas where you are weak. Turn to God so you have the Grace needed to do what is right. Without God in complete control of your lives, it is impossible to keep moving forward.

There is no longer time to be living lukewarm lives. You must obey all of God's commandments. You must prepare your soul now, for the warning will come. You will each need to be in a state of Grace or it will be very difficult for you. You will have but little time to amend your ways, so that is why it is so important to begin now.

Change takes time, so please do not abuse this time of God's great mercy. Examine your conscience daily and then strive to do what is pleasing to God. Pray the Rosary for peace in this world and for peace in your homes. Pray and do not abuse any gift you have received. Take part in harvesting souls for Jesus. Honor the Most Blessed Trinity and witness, witness your faith. Keep your doors open and assist those whom God sends to you. Spread your faith all around this world. Wear my scapular and armor, armor yourselves with the protection God has provided for you. The devil will surely flee if you respond and truly do what I am asking of you.

Please listen to my heavenly pleas. Listen and respond and allow God to be first in your lives. The way to Heaven is forward, so please obey, return to God and amend, amend, amend your ways. Amen.

MESSAGE #2505 from the Blessed Mother July 21, 2003

My daughter, Cherish this time in which God has allowed so more souls come to know Jesus. Do all that you can to make the Gospel known. This time is so special, so please continue to write and use your hands and voice for Christ.

The devil is furious and he will continue to torment you, as he knows his time is short. Offer your suffering for the salvation of souls, for in the end, there will be victory. Keep your focus on Jesus so you do not lose hope. Keep your focus on Jesus and we will truly help you endure all trials and suffering. Time is short for saving souls, so please accept each new cross and pray, pray for this world.

Pray for Priests, for this is who Satan wants to devour. Pray so more Priests wake their flock before it's too late. If Priests do not speak the truth, more souls will be lost. So many children are living in sin because Priests are unwilling to speak the truth. How I weep when I see so many children running in the wrong direction. Many souls are living in darkness and they need to be fed the truth.

God's mercy will be followed by Justice, so please, each of you do your part. Live your faith and do not make excuses for being lazy. Do penance and implore mercy for mankind. Join hands and pray together, and live, live all that I am teaching you. Unite your heart to my tears in which I shed all around this world. Do what Jesus is asking of you and pray, pray the Rosary each new day. Pray and fast and form holy groups so more join hands and pray. Through prayer, conversion will happen. MESSAGE #2507 from the Blessed Mother July 25, 2003

My daughter, These messages are for all my children, so please continue to write and relay my words. Continue to serve Jesus so more see light instead of darkness. Continue, continue forth and I shall help you through all trials, persecution and suffering. Jesus will be by your side, so do not be afraid of those who do not understand my role on this earth. This time is so important, for many will suffer if they refuse to repent and amend their ways.

The way is forward, so please, please, dear children, be brave soldiers for Christ. Witness your faith and your love for Jesus wherever you go. God is asking each of you to live the Beatitudes and to obey each commandment. God is asking each of you to pray and forgive and to be kind and loving towards each other. Those who refuse to do this are not true followers of Jesus. Those who do not have peace in their hearts, are relying on themselves instead of God.

Today, each of you must ask yourself; “is there true peace and happiness in your life?” Each of you must examine your conscience and then turn to God. You must be truthful if you truly want to be happy. You must be willing to let go of your ways and give your life completely to God. You must truly understand that it is impossible for change to occur on your own; you need God’s assistance and a true desire to change.

Each of you have areas to work on, so be honest, humble children. Be honest so that I can assist you on this earth. Be honest now, for in time, you will each see your soul. Woe to those who are trying to change others, but are refusing to change themselves. Woe to those who are hiding their sins, for how they will suffer. Woe to those who are living in sin and who are hiding behind closed doors. These doors will be opened when God’s Justice prevails. Man will no longer be able to deny that sin exists.

I am here, your Heavenly Mother, to prepare the way so you are ready for times to come. I am here now, so please accept my motherly assistance. Accept my love and concern that I have for you. Take hold of your lives and amend your ways now.

Allow my Son to transform your lives. Allow Jesus to bring you closer, closer to His Most Sacred Heart. Take time to be with Jesus so that you truly come to know His mercy and His love. Receive my Son so you have the Grace needed to move forward.

Again I say to you, respond, respond now. Return back to my Son through the Sacraments and give your life totally, totally to Him. This time that I can be with you is moving quickly, so begin now and do not wait to convert your lives. Do not wait for man’s approval, live these messages, live them now. Do all that you can to make the Gospel known. Do all that you can and seek, seek the Kingdom of God. Amen.

My daughter, I truly love all my children, even those who are choosing darkness; this is what I am asking of each of you. Love one another and pray for those who are on the wrong path. Love one another and pray for those who are refusing my motherly assistance. Each person needs love and prayers, so please intercede for each other.

Please, dear children, live your faith and be an example towards those around you. Be joyful and allow God's rays to shine, shine through you. Each time you pray for others, many Graces pour forth from Jesus' Most Sacred Heart. Be more loving and do not allow hurt or pride to enter, enter your hearts. Be conscious of your words and actions toward each other. Look to God and love, love all people. Look to God and He shall truly, truly guide you. Trust and ask God to help you to be more loving and compassionate. Trust and obey God and He will truly help you in all situations.

It is time now to imitate Christ in all that you say and do, so please begin today and turn to God so you have the Grace needed to do what God is asking of you. God is love, so please believe and trust in His guidance, love and mercy. God is love, so please imitate His love that He has for each of you. Amen.

MESSAGE #2510 from the Blessed Mother July 31, 2003

My daughter, I am asking that all my children pray and meditate on the mysteries of the Rosary. I am asking each person in this parish to join hands and pray the Rosary. Through prayer, unity will be restored. Through prayer, hearts will soften and change, change will occur in your lives. Begin by coming to Mass so your focus is on Jesus. The answers will be given to those who pray and who spend time with Jesus.

Please ask my Priests to assist me so more gather and pray the Rosary. Ask my sons to teach their flock the importance of praying the Rosary. Without prayer, Satan will continue to enter many Churches around this world. I see disunity happening in this parish, so please, please do not allow Satan to enter your hearts. Pray more and I promise you, the evil one will flee. Prayer is your weapon, so please join hands and pray the Rosary together. Join hands and pray or you will see division, much more division, not only in your Church but in your homes.

It is time now to join hands, so please be humble loving children. Let go of any pride or anger that you are holding in your hearts. Let go and forgive those who have hurt you. Let go and ask for forgiveness if you have hate in your hearts. God cannot work through you if you are refusing to join hands and pray. God cannot work through you if pride, jealousy or anger has entered your hearts.

This battle cannot be won alone; I need your assistance. I need my sons to lead the Rosary so more will gather and pray. I need all my children to do their part, so please respond and open your hearts today. Sacrifice and commitment on your part will truly help this parish. This Church has been chosen, so please do not run away. Be strong in your faith and get down on your knees and pray. By your example this Church will flourish. By your example more will follow. Please bear witness to my presence here at this parish, by truly manifesting yourselves with love and joy in your hearts. This is a time of Grace, so please pray and imitate Christ. Satan truly wants war, so please pray the Rosary and live these messages each new day.

My daughter, please make this message known and be not afraid, for I am truly with you. In time all will understand, for the great moment of truth is coming. All must be prepared, so do not hold all that I am teaching you in your heart. I am the Mother of God, tell the world I am here and that I am truly a mother to each of you. Amen.

MESSAGE #2511 from the Blessed Mother August 4, 2003

My daughter, Give thanks to God today for the many groups that have formed all around this world. Prayers from the heart are truly helping appease God's wrath. Prayer is truly helping those who were living in darkness. Each time you gather and pray, souls are saved. Please continue to invite others to pray the Rosary with you. Invite those who have forgotten how to pray the Rosary.

Please, dear children, live these messages and do not doubt in the power of prayer. Do not doubt, pray more. Satan wants each of you to doubt so you give up praying and living these messages. Unity must be restored in order for there to be peace in this world. Unity will happen if you join hands and pray, pray from your hearts. Unity is the way to peace, peace in this world.

Please understand and do all that you can to promote prayer. Set time aside and be consistent with prayer. Pray each new day and take part in forming prayerful groups. Call upon all the Holy Angels and Saints and they will truly join you in those groups you have formed.

Each day offer yourself to God and then be open to what He is asking of you. Accept each new cross and be willing to be persecuted for sharing your faith. Be willing and loving and God shall truly bless you. God will guide you and protect you if you submit to His Will.

Now, please be loyal, humble soldiers and march in unison. Be patient and keep your hearts open and practice, practice all that I am teaching you. Listen to my words, for they are truly from Heaven. Listen and respond so you are strengthened for the road ahead. Listen and respond to God's call. Amen.

MESSAGE #2513 from the Blessed Mother August 8, 2003

My daughter, I am here, so please write all that I tell you. I am ever so near to your heart and I know the pain you are going through. You are being purified for the road ahead. You are being drawn closer to my Son through your suffering. Believe that you are not carrying this cross alone. Souls are being saved through your suffering and obedience to God.

God is asking all His children to do their part in saving souls. Many today are not answering God's call. Many are sleeping and are denying that God exists. Many are giving in to the world, making no time for God. So many souls are in danger and they have but little time to repent. They have but little time to amend their ways and do penance for their sins. Many will suffer if they don't turn their lives around.

I am waiting for my sons and daughters to assist me. I am waiting for all my children, but many will not respond due to fear. Many will not respond because they do not want to change their ways. Many today are living in sin and are leading others astray. How can I help my children if they refuse to accept my help? How can I lead them closer to my Son when they refuse to listen to my motherly requests?

God will be the judge and man will not be able to give excuses on judgment day. Man will no longer be able to hide their sins. Those who refused to take heed to the Gospel will be punished severely. Those who did not teach their flock and who turned others away will be cast aside. Those who are making up their own rules will truly, truly have to answer to God.

Many, many suffer in Purgatory because they did not obey God's commandments. Many suffer in Purgatory because of pride, rebellion and control. So many weep when I visit them in Purgatory. They weep because they did not do penance for their sins.

God is truly forgiving, but man must cleanse their soul and be truly sorry for their sins. Man must obey true teaching and do their part in living the Beatitudes. Man cannot deny that God exists. Man cannot hide their sins, for God sees everything. God can see deep within your soul and He knows everything about you.

Today, I am asking that you take this message to heart. I ask that you examine your conscience and give your lives totally to God. I ask that you respond to these messages, for they are truly the Gospel. I ask that each of you respond now. I am asking this of you because the earth is trembling now. The earth is trembling because sin has become widespread. All must be ready and in a state of Grace. All must believe in God and do their part for the salvation of souls.

Time is shorter than you realize, so please, please, dear children, take heed to my motherly call. Wake up and return to God and be true disciples for Jesus. Be true servants for God and implore His mercy. Be light to this world by truly imitating Christ.

This is the way to Heaven, so please allow God to purify you on this earth. Allow God to use you in these times so more will answer His call. Pray to the Holy Spirit and respond, respond, respond now. Pray and do your part and accept each cross with joy. Amen.

MESSAGE #2514 from the Blessed Mother August 11, 2003

My daughter, Evil continues to spread due to lack of prayer and devotion to our Lord. Tell my children to pray more and to adore our Lord with love, love in their hearts. God has allowed this time for more prayer, so please do not abuse this time. Pray each new day and spend time with Jesus. Pray with love in your hearts and build your relationship with Him each new day. Without more prayer, Satan's venom will multiply.

Please, dear children, gather faithfully and join hands and pray. Pray for all souls, living and deceased, so more will one day see Heaven. Pray for the youth so they turn to God instead of the world. Pray and make the Gospel part of your lives. Pray and do good deeds and give to those who have little.

A generous heart, full of love, is how others will see Christ in you. This world needs to see love and this love must come from each of you. So please do not close your hearts, keep them open by truly being a loving, forgiving people. Love must shine from your hearts and this will happen if you truly live the Word of God.

Now, please seek to be like Jesus and trust in His mercy and trust, trust in His love. Amen.

MESSAGE #2515 from the Blessed Mother August 13, 2003

My daughter, The evil one is sly and he truly wants to confuse my children. Those who are not strong in their faith will fall, fall for his lies. Those who do not pray or obey God's commandments will be entangled by the serpents tail. The enemy is strong and he will truly devour those who are giving in to worldly ways. I am warning my children today because so much evil lingers in this world. So much evil is corrupting much of the world because so many today are not listening to God.

Many, many children are living a lifestyle that is truly, truly offending God. Many are choosing the wrong path because of their refusal to obey all of God's commandments. Oh, how I weep when I see so many today living together before marriage. I weep because so many are refusing to live a chaste life. I weep because many today are not prepared to see their soul. Many are living in mortal sin and are worshipping false gods. Greed and selfishness is why so many children are turning their back on God. Laziness and unwillingness to learn the truth is why so many children are living in sin.

Parents, I must be firm with you, for I see too many giving in to their children. I see so many parents unwilling to teach their children the truth. This is due to fear of how their children will react. Dear parents, you are endangering their soul by remaining silent. You are offending God if you are supporting those children who are living in sin. Children will never learn, if you are supporting them in any way. Sin is sin and you must not compromise when you see your children living in mortal sin.

It is time now to stop giving to those children who are living together before marriage. The only way to help these children is through prayer and willingness to speak the truth. The only way to help these children is to stop giving them more wealth and to start praying, praying for their soul. In time, you will each have to answer to God, so please, dear parents, do not give in to your children. Set rules and abide by them. Set rules and wake your children before it's too late. This time is being allowed to take hold of your family, so please respond and do not compromise to the ways of the world.

Turn to God and ask, ask for His guidance. Turn to God and obey Him and you will have peace through all trials and storms. God desires to protect you during this time of tribulation. God wants the best for each of you, but there are rules to follow. If you refuse to listen, then you are only making it harder on yourselves. Please listen and do not accept evil. Please listen and respond, for time is running out. This world will be severely punished because sin has become widespread.

Now, please live the Word of God and remain faithful to it. Take time to be with Jesus so you have the Grace needed to make the right decisions. Imitate Christ and He will truly fill you with peace. Now, please get moving, for this is the time to rescue those who are living in darkness. Be loving and do your part to save souls. A response is needed, so please take heed, obey God and do not compromise with the world. Amen.

MESSAGE #2516 from the Blessed Mother August 15, 2003

My daughter, Today, I ask my children to believe that I am truly a mother to each of you. I am here to assist those who will take my hand. I am here to light and prepare the way so more turn to God before it's too late. I am asking all my children to return to God so that one day we can be together in Heaven.

Heaven awaits those who believe in God and who follow in my Son's footsteps. In order to truly imitate my Son, you must repent and turn away from sin. You must love God more than your desires and obey each commandment. You must pick up your cross and be willing to be persecuted for living and sharing your faith. You must not deny God or give in to the enemy. You must armor yourselves and be true soldiers for Christ. You must be brave soldiers for Christ and rely on God to help you through each new battle. You must surrender your hearts to Jesus and pray more fervently. You must each do your part so that love, peace and joy reign in your hearts.

The time is now, so please love God and respond to His call of mercy. Respond to God now or darker days will approach you. Total darkness will cover the face of this earth if man does not take heed to the Gospel. Please listen, listen to my heavenly requests. Listen to God and obey His laws. Listen to God and do not reject His ways or love for you. God is merciful, but He truly expects a response from each of you. Without a response, you will see darker days. Ask God today to help you so that change can occur in your lives. Ask God today so you are prepared when it is your time to leave this earth.

Now, please join me in prayer and take part in forming prayer groups all around this world. Prayer will truly help you grow and it will appease God's wrath. More prayer is what I am asking of you, so please get down on your knees and pray, pray from your hearts. Pray, pray for others so they turn to God and repent.

Today, I am with you in a very special way, so please join me and pray, pray for all souls. The way to Heaven is through prayer, love and mercy. The way is forward, so please keep your focus on Heaven, for Heaven is your true home. Amen.

MESSAGE #2517 from the Blessed Mother August 18, 2003

MESSAGE #2518 from the Blessed Mother August 19, 2003

My daughter, Those children who pray the Rosary shall be protected by my mantle. They shall be protected from the evil that lingers, lingers in this world.

God is so pleased when He sees so many little children praying the Rosary. God is pleased because their prayers are truly from their heart. All must become little in the eyes of God and be humble, loving children. All must pray from their heart in order for their prayers to reach Heaven. Be little children, for God chooses the simple to do great work for Him.

Be humble, loving children so that God can use you in a powerful way. Do not boast or be prideful, for this is what will distance you from God. Be truthful and loving so that the world will see the joy of Jesus shining through you. Do not criticize or judge others, for this will prevent you from being a child of God. A loving, humble heart is what will conquer the forces of evil.

Now, please keep your focus on Jesus and by your humility and acts of kindness you will become strong warriors for Christ. Strive to be little, little children and you will be led closer to Jesus. MESSAGE #2520 from the Blessed Mother August 27, 2003

My daughter, If my children would join hands and pray all around this world, there would be unity. Due to lack of prayer, there is still much fighting all around this world. Due to lack of prayer, I am asking my children to form prayer groups, as much prayer is needed.

Please, dear children, continue to gather weekly in those groups that I have formed. Continue to pray and support one another and form groups in your Church and in your homes. Ask the Holy Spirit to guide you and then take part in forming groups so you stay close to Jesus' Most Sacred Heart.

My chosen sons must do the same, they must pray, pray with one another. They must pray and support one another, for their hands will be needed when God shakes this earth. Many hands will be needed and you will need to work together. Yes, change will happen soon and many will come running back to Church. Many will be confused because they were not strong in their faith.

This is the time of preparation and you must each be willing to do your part. You must begin now to live these messages so you are ready and prepared. God could call you at anytime, so please listen and take heed to the Gospel. God's Justice will prevail and all will need to be in a state of Grace. God's Justice will prevail and you will need to be strong in your faith. God has allowed this time for me to prepare you, but it is up to you to use this time wisely.

In order to be strengthened, you must come to Mass as often as you can. You must cleanse your soul and not hide your sins. You must do penance for your sins and be truly sorry for offending God. You must begin your day with prayer and pray, pray throughout the day. You must examine your conscience daily and then work on those areas where you are weak. You must obey each commandment and truly live, live the Gospel. You must take hold of your family and be an example towards those around you. You must not harbor hate in your heart. You must love, love one another. You must tithe and feed the poor. You must support your Church and priests and pray for those who are not living the Gospel. You must not turn your back on any person. You must give back to God all that He has blessed you with.

God will truly take care of those who have used their hands and voice for Christ. God will protect you and guide you if you are truly living the Gospel. Many Angels and Saints will guide you if you call upon them. There will be light for those who are truly following Jesus. When God's Justice prevails, darkness will cover the earth. All will know that God exists, but those who did not obey God will be truly frightened. Some will run in the wrong direction due to fear and disobedience to God.

MESSAGE #2521 from the Blessed Mother September 2, 2003

My daughter, Pray, pray for all my children, for many are not using the protection God has provided for them. Many do not realize how much evil lingers in this world. Many are walking alone. Many are refusing God's assistance. This world is not safe and my children need to be taught the importance of armoring themselves each new day.

Tell my children to begin their day with prayer. Tell my children to take Jesus with them wherever they go. My Son will truly assist those who turn to Him. He desires to give you peace, hope and courage. He will give you the strength needed to endure each new battle if you ask, ask for His assistance.

Today, I must warn my children that many terrorists roam this earth. Many terrorists roam this earth because evil has become widespread. Evil lingers all around this world and God's protection is truly needed. Call upon all the Holy Angels and Saints and say, say the St. Michael prayer. Wear a crucifix and blessed medals, for this will truly keep evil away. Do not leave your homes until you are properly armored.

God has a job for each of you, so please do not delay. Use your hands and your voice and be true servants for our Lord. Be not silent, share your faith. Be not silent, witness in love. MESSAGE #2523 from the Blessed Mother September 5, 2003

My daughter, Please tell my children not to ignore the signs of these times. Tell them to open their eyes and to pray for those who are choosing darkness. Tell my children to open their hearts so that God can enter more deeply.

So many today have become blind to the truth. Many are truly offending God because they do not want to change their lifestyle. Many do not want to live a holy life because that will mean change, change within themselves. Without a pure heart and true love for God, one will not be able to endure what is coming their way. One will not be strong in their faith if they continue to disobey God. Many will give in to the evil one, without a strong faith.

Evil loves darkness, so please, dear children, turn away from sin. Turn to God and pray with love and faith in your hearts. Pray with your family and offer your prayers to console and appease God's wrath. Pray, pray together, for much prayer is needed all around this world. Prayer is your strength and protection, so please join hands and pray. Join hands and trust, trust that God truly hears your prayers. Witness your faith by truly praying the Rosary. Witness in love and be a light to others.

Live in harmony and be loving, humble children. Amend your lives and make reparation for all your sins. Cleanse your souls often so you have the Grace needed to live holy lives. Receive Jesus in the proper way and consecrate your lives to Jesus' Most Sacred Heart. Jesus will then truly dwell in you and your home. Jesus will protect you and keep you close, close to His heart. Yes, Jesus will truly bless those who pray and live, live their consecration.

Now, is the time to live these messages, so please respond today. Repent and amend your ways so that you truly come to know God's love and mercy. The hour will arrive. Will you be ready? Look into your souls and give your entire life to God. Be submissive and obey, obey, obey God. Amen.

MESSAGE #2524 from the Blessed Mother September 8, 2003

My daughter, Today is a day to give thanks to God for life. Life is precious and one must be grateful and make the most of each new day. One must strive to live a holy life so they can one day be in Heaven with my Son, Jesus and all the Holy Angels and Saints.

This earth is temporary, so please take hold of your life. Do all that you can to serve Christ. Do all that you can to light the way for others. Begin by truly living the Gospel. Begin by keeping your focus on Christ. Begin today and respect and cherish life.

Treat all your brothers and sisters with love and kindness in your hearts. Be forgiving, loving children and do not harbor hate in your hearts. Have compassion on the sick and those in need of assistance. Listen and assist those who are choosing darkness.

Keep your homes open for those whom God sends to you. Do not turn your back on those who have been rejected by society. Keep your hearts open and adopt those children who do not have a home. Keep your hearts open and cherish life, for each child has a soul. Each child needs love, unconditional love and respect.

Now, please make time for prayer and pray, pray together as a family. Make time for prayer and give thanks to God for all the Graces He has bestowed on each of you. Amen.

MESSAGE #2525 from the Blessed Mother September 10, 2003

My daughter, God will bless those who walk in faith and who trust, trust in our Lord. It is time now to have complete trust and confidence in our Lord. It is time now to believe in God's love and healing power.

When you pray, accept in your hearts that God truly hears your prayers. When you pray, include those who are refusing God's assistance. Include those who are not living the Gospel. Prayer, prayers from your heart truly reach Heaven, so I remind you today not to give up on prayer. I remind you today to slow down and not rush through prayer. Say your prayers slowly and concentrate on what you are saying. Your prayers will then come from your heart and they will be more meaningful. This world is in danger because of lack of prayer from ones heart.

Earthly changes are happening to wake mankind. Many are relying on man instead of turning to God. God hears your prayers, but you must take time to be with Him each new day. You must include God in all that you do and rely on Him to guide you. You must not step ahead of God, you must seek His counsel first. You must turn to God and not rely on others to help you. God must be first in your lives and you must take time to be with Him each new day.

Again I say to you, this world is in trouble because so many are relying on their wealth. Many are worshipping false gods which is pulling them away from the truth. Many are not praying as they should and are not taking these messages seriously. Ask yourself today, do you truly love God? Are you praying each new day? Do you turn to God for guidance? Is the world pulling you away from truly doing what God is asking of you?

The future, dear children, depends on you, so please begin today and live, live all that I am teaching you. Turn to God with an open heart and trust in His love and mercy. Trust and have hope in Him and look to Him for strength and guidance.

My daughter, it is time now for these messages to be spread across this land, so please tell my children to share them with all their brothers and sisters. Each child will have to one day answer to God, so it is pertinent that each child lives these messages.

This time cannot be given back to you, so please do all that you can to be true followers of Christ. Do all that you can now so more awake from their slumber. Do all things in love and remember to carry Jesus with you wherever you go. Amen.

MESSAGE #2526 from the Blessed Mother September 12, 2003

My daughter, Be faithful to my Son and write each time I come to you. These messages are important, for they are truly saving souls. These messages are for the world, so please do not keep them hidden in your heart. Conversion cannot happen if my children are unwilling to spread the Gospel. All must do their part so more turn to God in this time which is being allowed.

This time will not last forever, so please, please continue to write and relay my messages for all my children. Many have been chosen in these times so that more will return to God before it's too late. In times to come, your hands will be needed, so listen and take heed to my motherly requests. Listen and be willing to teach others all that is imbedded in your heart. Listen and do not be afraid of the evil one, for many Angels and Saints surround you. Wherever there is truth, the evil one cannot survive. Wherever there is love, the enemy will flee.

Prayer is your protection, so pray, pray more and stay close to Jesus' Most Sacred Heart. Pray and prepare, for this time is a time of God's great mercy and Grace. Be loyal to Jesus and serve Him with love, love in your hearts. Desire to truly please Him so you stay strong, strong for our Lord. Through your loyalty and fidelity to my Son, you will receive the Grace needed to do God's Will.

So please join hands and pray today so you are not tempted to give in to worldly ways. Pray and fast and go forth now and live and spread the Gospel. Amen.

MESSAGE #2527 from the Blessed Mother September 15, 2003

My daughter, I am here today to remind my children to live a simple, peaceful, holy life. I am here to manifest my love to all my children. I am here to teach my children so that you choose the right path.

Those who listen to these heavenly messages must begin today to live them. Conversion will happen if you listen, respond and obey, obey God. Conversion will happen if you let go of your desires and surrender your will to God. My heart is sorrowful when I see so many children living in sin. My heart is sorrowful when one chooses to have an abortion. It brings tears to my eyes, for each soul is so precious to God.

Each child is so loved and God has a special plan for each and every soul. Man does not have the right to decide who should live and who should die. God is the Creator and one must trust in His love, mercy and guidance. God is merciful and He knows what is best for each child. Until you truly open your hearts and trust in His Divine Wisdom, you cannot comprehend His love, mercy and compassion.

If you truly want to imitate Christ, then you must be merciful, kind and compassionate. You must love your enemies and console those in need. You must receive Jesus often and spend time adoring our Lord. You must be faithful to your responsibilities and ask, ask my Son for guidance. You must support your Most Holy Pope and obey God's commandments. You must be loving, humble children and avoid sin and march, march in unison. You must not allow pride or disobedience to darken your soul.

The enemy is sly so you must stay close to Jesus' Most Sacred Heart. You must use the protection God has provided for you and faithfully pray the Rosary from your heart. You must not let a day go by without prayer. You must never depend on yourselves, for this is dangerous. You must trust in God wholeheartedly. You must trust in God and be humble, humble servants. You must try your best each new day to live, live the Beatitudes.

Now, please examine your heart carefully and then do what God is asking of you. Call upon the Holy Spirit and then work on those areas that are pressing on your heart. The climb, dear children, is not easy, but if you obey God and live the Gospel, you will have joy and peace in your lives.

Now, please keep your focus on Jesus and be simple, loving, humble children. Desire to do the Will of God and embrace, embrace, embrace His love. Amen.

MESSAGE #2528 from the Blessed Mother September 17, 2003

My daughter, Please keep your heart open and continue to write and relay my words. Continue to share all that I am teaching you and pray, pray with those whom God sends to you.

In time you will understand, for change will occur to wake those who are sleeping. If one does not know Jesus, then it will be much more difficult for them. They will not have peace if they are living in sin. Peace comes from knowing Jesus, so please tell the world to build their relationship with my Son. Tell the world to repent and to believe in the Gospel. Tell the world to turn to God and ask, ask for His guidance. Tell all who will listen that God truly, truly exists.

Conversion will happen if my children do their part. It takes discipline, sacrifice and commitment to prayer. It takes obedience and a true desire to come to know our Lord. It takes faith and a trusting heart and willingness to listen, listen to our Lord. It takes the proper armor to keep the enemy away. It takes strength and courage to do your part each new day. This does not come from yourselves, you must be dependent on God. You must turn to Him each new day and seek God's wisdom and counsel. You can do nothing on your own, for you are weak without God's assistance.

Dear children, these messages cannot help you until you surrender and give your life to God. These messages cannot help you if you refuse to learn and live the truth. A true desire to come to know God is what is needed in order for these messages to become imbedded in your heart. Willingness and an open heart is how you will grow in holiness. The Sacraments and quality time with Jesus is how you will be given the Grace needed to live these messages.

So, today I ask that you do not become lax in your prayers. I ask that you increase your time to be with Jesus so you have the strength needed to do what is right. I ask that you do not become dependent on my messengers, but that instead you rely totally on God. Without a true relationship with Jesus, these messages will not help you. So please pray today and ask God to guide you. Ask God to help you in those areas where you are weak. Ask today for God's loving assistance so that you can truly grasp and live, live these messages.

A time will come and in order to survive you will need total dependence on God. You will need a strong faith and a humble heart. Your focus will need to be on Jesus, so do not delay. Come to know my Son and build your relationship with Him now. This is the way to true success. This is how you will be given peace and happiness. So obey, obey now and take heed to my motherly requests. Amen.

MESSAGE #2529 from the Blessed Mother September 18, 2003

My daughter, Tell my children that I am truly here for all my children. I am ever so near to my Son, Jesus. I am truly here now to lead you closer, closer to Jesus. I am truly here now to assist you so that you, in turn, go forth and live the Gospel.

Because of so much sin in this world, God has asked me to assist you. God sees so many struggling, due to lack of prayer and true teaching from the pulpit. This is why I am here to teach my children the truth. This is why so many messages have been given to those who have been chosen to write and relay my words. This world is in trouble and I am here now to wake those who are sleeping. I am here now to assist my Priests so the Gospel can be spread. Many Priests know who I am, but very few ask for my motherly assistance.

Dear chosen sons, please do not be afraid of me. I am your mother, your heavenly mother. I am here to manifest my love to all my children. I am here to teach your flock, for many are confused and are choosing darkness. Many are living in sin and are denying that hell exists. So many are on the wrong path and they need much assistance. Dear chosen sons, please accept God's plan and take my hand now. Accept my love for you and my motherly assistance. Accept these heavenly messages, for they will truly help those who have wandered away from true teaching.

Begin today by encouraging your flock to pray and meditate on the mysteries of the Rosary. Through prayer and meditation, my children will come to know me. Through prayer and a repentive heart, I am then able to assist my children. The Rosary is your protection to keep evil away. The Rosary is my gift to you and those who pray it from their heart will have a true conversion. Many souls will be saved through prayer and meditation of the Rosary. I am asking you once again, dear Priests, to lead the Rosary. I am asking that you teach your flock how to say the Rosary properly. I am asking you once again, for many souls are in danger and they truly need assistance.

Please take my hand and together we will work, work together. Please take this message seriously and do your part for the salvation of souls. I am waiting to assist you, so please, please dear chosen sons, respond, respond, respond now. Amen.

MESSAGE #2530 from the Blessed Mother September 22, 2003

My daughter, No matter how dark this world becomes, God's light must shine, shine through His children. In order for there to be light, each child must use their hands and voice for Christ. Each child must do what God is asking of them. Each child must love, love their neighbor and be compassionate towards those around them.

Darkness cannot be removed if my children don't love, love one another. Darkness cannot be removed if there is hatred in your hearts. So, today I ask that you truly come to know my Son so that love can reign in your hearts. I ask that you forgive those who have hurt you so that only love pours forth from your hearts.

It is time now to move on and let go of anything that is preventing you from doing God's Will. It is time now to go forth and light the way for others. God's light must shine in order for darkness to be removed. God's light must shine, shine through each of you.

Take a moment today and reflect on all that God is teaching you. Take a moment and then ask God to assist you so that you can truly live these messages.

Now, please allow my Son to heal you with His love. Allow my Son to guide you so you have peace and joy for the road ahead. Amen.

MESSAGE #2531 from the Blessed Mother September 23, 2003

My daughter, No one can stop God, so please continue to use your hands and voice for Christ. Continue to do what God and I are asking of you.

Time is short for saving souls, so be willing, dear children, to be persecuted for living your faith. Be willing to do what is right and pray, pray for unbelievers. Pray for those who are furthest away from God and rescue those who are still sleeping. You are each called to pray, so pray, pray daily from your hearts. Pray and live your faith and live, live a saintly life.

In time, all will see their soul and each person will have to answer to God. Time is shorter than you realize, so please, dear children, keep your focus on God. Keep your focus on God, for then you will have peace through all trials and storms.

My daughter, through your suffering and obedience to God, souls are being saved, so be thankful for each new cross. Be thankful and give all honor and glory to God. Be thankful for this time and believe that God is truly using you so more see light instead of darkness.

Those who are willing now to suffer for Jesus will be protected when God shakes this earth. They will be strong warriors for Christ and they will not give in to the Antichrist. They will know which way to turn and they will not run in the wrong direction. They will have peace when lightening strikes and they will be led by the heavenly Angels.

So, today I ask that you do not despair when others mock you. I ask that you love all people and trust, trust in Jesus' mercy. God will always be at your side and He will give you the strength needed to continue on in your journey.

Now, please keep your focus on Jesus and remain faithful to His truth. Remain faithful and do what God is commanding you. Live each day for Jesus and live, live dear children, the Fatima message. Obey each commandment and go forth now and live the Beatitudes. Go forth as true believers and remember that when you turn to God, His love dwells in you. Amen.

MESSAGE #2532 from the Blessed Mother September 25, 2003

My daughter, Persevere, for many are hungry and they need to be fed, fed the truth. Teach my children the importance of receiving the Sacraments. Teach my children all that God and I are teaching you.

In time, all will have to wake from their slumber, so please assist me so more are ready and prepared. The day will come and all will see their soul. The day will come and each child will know how many wounds they have added to Jesus' Most Precious Body.

If you are living in mortal sin, repent now. Turn to God and do penance for your sins. Turn to God for guidance, for He truly, truly loves all His children. Do not wait to see your soul, cleanse it now. Work on those areas where you are weak and be truly sorry for your sins.

Be honest with yourselves so that change can occur, occur in you. Do not judge or blame others for the way you are behaving, take a look at yourself. When it is time to see your soul, you will not see your neighbor's soul. You will see your soul and you will be accountable for your actions. You will feel tremendous pain if you were living in darkness. You will have but little time to amend your ways. You will have only a short time to do penance for your sins.

This is why I am telling you to repent now and turn to God for guidance. If you have fallen away from true teaching, return now. If you are living a lifestyle that is morally wrong, repent, repent, repent now. Take hold of your life and obey God.

Dear children, there is no longer time to be living in sin. You must each do your part so you are ready to see your soul. You must begin now to live pure and holy lives. You must believe in the Sacraments and receive them properly.

In order to do good, you need God's Grace. You need a true relationship with Jesus. You need to live your consecration and take heed to the Gospel. You need to trust in Jesus and take refuge in His Most Sacred Heart. Your willingness and commitment to do what is right is essential if you truly want to grow, grow in holiness.

Now, please rebuke all evil and have confidence in God's love for you. Look to Jesus and imitate His ways so that change can occur in your lives. This time to amend your ways is so precious, so please, please respond and do not abuse this time. Amen.

MESSAGE #2533 from the Blessed Mother September 29, 2003

My daughter, God's work must continue, for time is short for saving souls. Time is short and all must do their part so more turn to God in this time of mercy.

Dear children, are you sharing God's love? Are you sharing your faith with love and joy in your hearts? Are you being an example by truly living the Gospel? Do you witness to those whom God sends to you? Are you joining hands with the enemy or are you living a holy and productive life?

Please take time to reflect on this message and then do what God is asking of you. Do all that you can for Christ now, so more come to know our dear Lord Jesus. Do not allow fear to enter your hearts, believe that God will protect you. Believe in all the heavenly Angels and Saints, for they too will assist you. St. Michael and all the Archangels are truly here to protect you. Call them by name and ask, ask for their assistance.

Please, dear children, embrace the Archangels and believe that God has assigned them to protect you. They are truly at your side when you ask for their assistance. They will defend you against the continuous attacks of Satan and all his followers. Pray and trust, trust in their protection. This is a time of great tribulation because so much evil has entered this world. You will see much more violence and bloodshed if you don't pray and use the protection God has provided for you.

Today, I ask that you protect your children through your prayers. I ask that you teach others the St. Michael prayer. I ask that you call upon all the heavenly Angels and Saints and take them with you wherever you go. Satan is very powerful at this time and this world needs much prayer and much protection. Pray together everyday and pray and meditate on the mysteries of the Rosary. Bless yourselves often with holy water and stay close, close to Jesus' Most Sacred Heart. The enemy will flee if you truly respond to what I am teaching you.

It is time now to assist me so that God's plans may be fulfilled. It is time now to accept God's Grace and to be light to this darkened world. I am truly here today with St. Michael and all the Archangels, so accept our assistance so you stay strong, strong for Christ. Accept and believe that when you do God's Will you are truly protected on this earth.

Go now with peace in your hearts and be loving, humble children. Amen.

MESSAGE #2534 from the Blessed Mother October 1, 2003

My daughter, Satan loves war, war amongst my children and he will try to destroy all that is good, so please tell my children not to fight back. Tell my children to be loving towards those around them. Prayer and true devotion to our Lord is what will destroy evil.

Today, I ask that my children continue to pray and live these messages. I ask that you join hands and work together, for then you will continue to bear much fruit all around this world. I ask that you pray for those who are unwilling to join hands and who are refusing to live the Beatitudes. I ask that you each go forth and live, live the Gospel.

In time, all will see their soul and those who are trying to destroy those groups that I have formed will have to answer to God. They will have to repent of their wicked ways or they will suffer more. Those who seek control will be accountable for their actions. Those who are leading others astray will suffer tremendously, for God will not have mercy on them.

No-one can stop prayer, prayer from one's heart, so please continue to gather and pray. Pray the Rosary for unbelievers and for peace in this world. Pray the Rosary and give praise and honor to God. Pray and ask God each new day to give you the courage needed to live these messages. Ask God to guide you so you never step ahead of Almighty God. Trust and believe that God will be with you through all trials and persecution. Trust and believe in the power of prayer. This time is a time of trial, but with God's Grace you will stay strong, strong for Jesus.

Now, please understand that I am with you. Please understand and be willing now to be persecuted for living your faith. In time, there will be no more suffering. In time, there will be peace, peace in this world. Amen.

MESSAGE #2535 from the Blessed Mother October 3, 2003

My daughter, It is time now for my children to prepare their heart and soul. All must be ready and in a state of Grace when it is their time to leave this earth. This time has been allowed so more amend their ways and turn to God. This time is your time to build your relationship with Jesus.

Time moves quickly, so please, please dear children, use this time wisely. Fast and pray and spend time with Jesus. Obey God, obey each commandment. Stay close to my Son and allow your prayers to purify you so that change can occur in your life.

Dear chosen sons, I am asking for more prayer from you. I am asking that you spend more time in Adoration and pray for holiness and purity of heart. I am asking that you be an example to my children, as many look to you for guidance. I am asking that you trust in my motherly intercession. Pray the Rosary each new day. Pray, pray for your flock. Live these messages and share them with those who do not understand my role on this earth.

Share all that I am teaching you so more turn to God before it's too late. Many today are on the wrong path because they are choosing to live in sin. Many are still sleeping, so I ask that you let go of fear and speak the truth. Your homilies must come from your heart and they must be true teaching. Your flock needs to be taught that they must obey all of God's commandments. They must understand that their soul must be cleansed and nourished. They need to know God's love for them so they turn to Him instead of the world.

Dear sons, in order to teach the truth, you must also live the Gospel. You must not turn others away by your actions. You must be loving and welcome all who come to Church. You must not just reach out to your friends, you must love and guide all your brothers and sisters. There is no longer time to be silent, for change is about to happen soon. You must prepare your flock now by truly living and speaking the truth. You must pray more during this time, for I am warning you, Satan is strong. Without more prayer and time with God, you will be tempted to take the easier road. Your job for Christ is full-time, so please live your vocation and be a role model to those around you. You each have a special place in my heart, so please keep it open and I will truly, truly assist you.

Now, please trust in my motherly intercession, for I am truly here for all my Priests. I am truly here because of God's love for each of you. Amen.

MESSAGE #2536 from the Blessed Mother October 6, 2003

My daughter, Strength will be given to those who pray and persevere, so please tell my children to stay strong, strong for Jesus. Tell my children to pray more when they feel weak and tired.

Through prayer, one will be given the strength needed for each new battle. Many battles will arise due to the sins of this world. Each battle will be won if you pray and stay close to Jesus' Most Sacred Heart. Each battle will be won if you persevere and do God's Will.

With proper armor and willingness to live your faith, the enemy will flee. Each time you pray the Rosary, Satan loses ground. Satan cannot survive wherever there is prayer, prayer from one's heart. So please remember, each time you are tempted to take the easier road, pray more. Each time you feel like giving up, turn to Jesus.

Jesus will truly help you if you turn to Him and ask, ask for guidance. Look to Jesus and you will be given much peace. Look to Jesus and you will be given the Grace and strength needed to persevere. MESSAGE #2537 from the Blessed Mother October 8, 2003

My daughter, Continue to pray for world peace so more turn to God and repent of their wicked ways. Much fighting is taking place all around this world because many do not carry love in their hearts. The Gospel must be spread or man will see much more bloodshed. The Gospel must be spread or man will see even a greater war. Conversion cannot happen if my children don't take heed to the Gospel.

Peace must first begin in your homes before it can be spread across this world. Peace cannot happen if families don't join hands and pray. MESSAGE #2538 from the Blessed Mother October 9, 2003

My daughter, Spend time with Jesus, for He longs to hear from you each new day. Spend time in Adoration and give thanks to God for the many blessings He has bestowed on you and your family.

Today, I want all my children to be grateful for all that God has done in your lives. Be grateful and give thanks to God, for He truly, truly loves each of you. America has been truly blessed, but all can be taken away if my children deny that God exists. This is why I am telling each of you to turn to God and be a more thankful people.

I have been telling you to pray more and to cleanse your soul. Those who are truly doing what I ask are truly pleasing God. Those who are coming to Mass as often as they can are on the right path. The foolish are those who have allowed their lives to become too busy for God. They are not praying or using their time wisely to prepare their soul.

Dear children, you must change your ways and be more appreciative for this time in which God has allowed. You must let go of your desires and spend more time with Jesus. You must not neglect your soul. You must be truly sorry for your sins. How can God forgive you if you do not ask for forgiveness? How can God strengthen you if you refuse to receive the Sacraments?

God cannot teach you if you refuse to listen, listen to Him. God is not happy when He sees so many children living in sin. It is time now to trust in God and to ask, ask for His assistance. It is time now to obey, obey all of God's commandments. There is no longer time to be living in sin. Begin today and take heed to the Gospel. Begin today and examine your conscience. Be truly sorry for your sins and do penance every day.

Be truly grateful each time you can come to Mass and receive Jesus. Don't take this time for granted. Be a more thankful people. Thank God each time you are able to share those gifts God has blessed you with. Thank God by truly giving all honor and glory to Him. Thank God by truly kneeling more and praying, praying from your heart. Today, I must remind my children to be more thankful for each new day.

Now, please let go of pride and be more humble. Let go of your ways and spend more time with Jesus. Imitate Christ by truly picking up your cross and being vessels of love. Live the Gospel and love, love one another. Live the Gospel and allow my son to dwell, dwell in you.

This message is for all my children, so please take heed and go forth and live God's Word. Amen.

MESSAGE #2539 from the Blessed Mother October 13, 2003

My daughter, Just as the Fatima children suffered, so too will you, for you have been chosen by God. You have been chosen to suffer for the conversion of those souls who are choosing darkness. Your suffering will be manifested in different ways, but God shall give you the grace needed to carry your cross. My Son and I will always be with you through all trials, suffering and persecution.

God is asking all His children to suffer for sharing their faith. God is asking each child to pick up their cross and follow Jesus. God is asking each of you to turn to Him when you feel alone or afraid. God shall be your strength and you will be given much joy no matter how others treat you. All the Saints in Heaven suffered for living their faith, so be willing, dear children, to do all that you can for Christ. Be willing to go forth and live the Gospel so more convert before it's too late.

In order to bear fruit, you must be willing to do your part for the salvation of souls. You must be true servants and use your hands and voice for Christ. You must pray and fast and obey all of God's commandments. You must live, live the Beatitudes. By your example, much fruit shall be produced all around this world. Those who do not understand my role on this earth do not look at the fruit that is being produced through prayer and recitation of the Rosary. They fail to see the goodness when my children gather and pray. Their hearts are closed to those who have been healed by Almighty God.

Many today are testing God, instead of being a thankful people. Many are denying that God truly exists. Many doubt that I, your Heavenly Mother, am here because of God's love for you. Many are not listening to God's warnings because they are not taking heed to the Gospel. They fail to see the evil that is taking place in this world.

Dear children, Satan wants you to doubt and deny Christ. Satan does not want prayer and he is truly trying to destroy those groups that I have formed. Satan will do all that he can to pull you away from your Heavenly Father and Mother. Satan will not quit until his time is up, so please take refuge in Jesus' Heart. Take refuge in my Immaculate Heart and believe, believe in God's plan. Believe in God's love and mercy and accept my role on this earth. Accept all that I am teaching you, for it is truly, truly the Gospel.

In time, all will see their soul and many, many will have a change of heart. Many will feel much pain when they see Jesus' wounded heart. Many will come running back to Church and they will laugh no more at those groups that I have formed. So, continue on, my children, and do what God and I are asking of you. Do all that you can now, for the time is drawing near. God's Justice will prevail, so stay strong and live a holy life.

Live each moment for Jesus. Live all that I am teaching you now. Each day is truly a gift to you, so respond, prepare and do your part for the salvation of souls. I am your Heavenly Mother, I am truly here for each of you. I love, love all my children and today I am with you in a very special way. Amen

MESSAGE #2540 from the Blessed Mother October 15, 2003

My daughter, Please continue to write and relay my messages, for they are the truth. They will touch the hearts of those who are open to hearing the truth. They will help those who truly want to live a holy life.

MESSAGE #2542 from the Blessed Mother October 21, 2003

My daughter, How I weep for those souls who continue to reject God's mercy and grace. I weep for those who are choosing darkness, for darker days await them. Many will suffer if they do not repent and amend their ways. Many will suffer because they will not know who to turn to when God shakes this earth.

The time will come, so please continue to gather and pray. Pray for those who are refusing to come to know Jesus. Pray for those who have allowed themselves to become dependent on their wealth. MESSAGE #2543 from the Blessed Mother October 22, 2003

My daughter, God cannot heal those who have no faith or who refuse to pray, so tell my children to believe in God's love and mercy. Tell my children to pray and turn to God so that conversion can happen. A repentive heart is how conversion will happen. A repentive heart is how you will be drawn closer to my Son, Jesus. Repent and believe in the Gospel. Repent and let go of all evil. Repent so that God can heal you and nourish, nourish your soul.

My daughter, this world is in need of much repentance, for many are living in darkness. Many have fallen away from the Sacraments and are ignoring God. Many do not realize that time is short on this earth. Time is short, yet many are sleeping and ignoring God's warnings to mankind. I have but little time to wake those who are sleeping, so please continue to write and relay my messages. Continue to use those gifts God has given you so more repent and turn to God.

With the help of my children, more souls can be saved. With the help of my Priests, my children will cleanse their soul. My children will come to know the truth. My children will understand that Jesus is truly present in the Eucharist. Yes, more will take heed to the Gospel with the help of my children and chosen sons. Please let go of fear and allow God's love to pour forth from your hearts. Let go of all fear and be willing to be persecuted for sharing and living, living your faith. Pray and live your faith so your hearts shine, shine for my Son. Through prayer and obedience to God, souls can be saved.

Now, please carry hope in your hearts so you go forth as God's chosen children. Offer your prayers and penance in reparation for the world. Offer your suffering and sacrifices for the salvation of souls. This is what God is asking of each of you, so wonder no more. Do your part. Be true servants for our Lord. Amen.

MESSAGE #2544 from the Blessed Mother October 23, 2003

My daughter, Many today want to be healed, but they refuse to repent and amend their ways. They refuse to live a holy and pure life. Many do not want to give up their worldly ways. How can God help those who refuse to repent and turn away from sin? How can God use His children if they are choosing darkness? God cannot heal those who refuse to turn to Him. God cannot pour out His love and mercy if one's heart is closed. All must embrace my Son and be truly sorry, sorry for their sins.

In order to please God, you must live a good life. You must be kind, compassionate and forgiving. You must love unconditionally and be charitable to all your brothers and sisters. You must obey God and live, live the Beatitudes. You must live the Gospel and read Holy Scripture. You must pray and turn to God in order to do what I am teaching you. You must pray and fast so that your hearts are transformed. You must do your part in order for God to work through you. You must do your part if you want to go to Heaven. You cannot live a life of sin and go to Heaven. You must repent and do penance for your sins. You must allow God to purify you on this earth. You must use your hands and voice for Christ. You must accept God's love and mercy.

Dear children, your prayers and actions must be pure and holy. You must strive to do good on this earth. You must seek God's guidance and wisdom. You must no longer try to walk alone. This is the time to turn to Jesus, so please listen and respond to my heavenly pleas. Respond now with love in your hearts and do God's Will. Do all that you can to please Jesus and I promise you, your prayers will be heard.

Now, please go forth as true believers and open your hearts to God each new day. Amen.

MESSAGE #2545 from the Blessed Mother October 27, 2003

My daughter, Peace comes from knowing Jesus, so continue to pray and reflect on all that I am teaching you. Continue to climb no matter how steep it becomes. Through your effort and willingness to carry your cross, souls are being saved.

When you feel hurt in your heart, give it to Jesus instead of fighting back with those who do not understand my role on this earth. Jesus will give you peace each time you let go and allow God to be in control. Those who are listening to Satan, seek control. They love war, which causes much division. They love to seek revenge on those who have hurt them. They spend little time with Jesus because they carry much hate in their heart.

So, today I ask my children to continue to gather and pray. I ask that you join hands and be kind and loving towards each other. I ask that you stay close to Jesus so you do not become entangled by the serpents tail. Prayer is your protection, so continue to pray the Rosary in those groups that I have formed. Continue to pray, pray from your hearts and come to Mass as often as you can. Satan will then lose power and evil will be destroyed.

Now, please pray for those who are not spending time with Jesus. Pray for those who are seeking control and who are causing much division. Prayer is how their hearts will soften so unity can be restored. Prayer is your weapon and wherever there is prayer and love, evil cannot exist.

Now, please be humble, loving children and be submissive to God's Will. Amen.

MESSAGE #2546 from the Blessed Mother October 28, 2003

My daughter, Many storms will arise and my children must remain strong, strong in their faith. They must not lose hope or confidence in God. They must not give up or give in to the enemy. They must persevere and work, work together.

In times to come you will need each other, so please join hands now. Be loving and kind to each other and support one another. Be respectful towards all your brothers and sisters and live, live the Beatitudes. There is no time for laziness, for this time that has been given to you is running out. Time on this earth will not last forever.

In order to go forth and evangelize, you must imitate Christ. Your thoughts, speech and actions must be that of love. You must not gossip or listen to lies, for this will not strengthen you. You must turn to Jesus and allow Him to be the center of your life. You must see all things as good and live your Catholic faith.

If you do what I am teaching you, you will have peace through all trials and storms. You will have joy, and love will flow from your hearts. You will become a more prayerful people if you let go of pride and hatred and unforgiveness.

Now, let us pray that more will join hands and live, live in harmony. Let us pray that more will turn to Jesus and follow His ways. Let us pray each new day and give thanks and praise to Almighty God. Amen.

MESSAGE #2547 from the Blessed Mother October 30, 2003

My daughter, I am with you, so be at peace and know that you are not alone. God shall be your strength, so please, please stay hopeful. God knows how much you can endure, so please carry each new cross with joy and offer your suffering for the salvation of souls. You are a victim soul, so be grateful for each new cross.

Many Saints suffered tremendously, yet they stayed faithful to God. They stayed faithful to God because they were given the grace and strength needed to endure suffering and persecution. Much strength will be given to those who are willing to be persecuted for sharing their faith. Much strength will be given to those who obey God and who live, live His commandments.

So, today I ask that my children be brave and loyal to our Lord. I ask that you each pick up your cross no matter how difficult it may seem. I ask that you rely on God to help you so that you do not try to carry your cross alone. Each time you ask for assistance, believe that God hears your prayers. Believe that God is with you and that you never have to carry your cross alone. Believe and turn to Him and trust in His love and mercy. Ask for guidance in everything that you do. Ask and I promise you, peace and joy will be given, given to you.

God's mercy is endless, so believe now in God's love that He has for each of you. There is hope for those who trust in Jesus, so be confident, persevere and trust in His unending love. Amen.

MESSAGE #2548 from the Blessed Mother November 3, 2003

My daughter, Many souls need prayers, so continue to pray for those who are living and deceased. Pray each new day, for then many souls will be saved and more will repent before it's too late.

Prayer is so important, so never give up on prayer. Never give up on prayer, for this is what Satan wants so more turn away from God. God is asking all of His children to pray, so please obey and make more time for prayer. Make time and pray from your hearts, for then I will intercede for you. I will lead you closer to My Son, but you in turn must pray and build your relationship with Him.

You must fast and pray and converse with God. You must spend quiet time with our Lord and then respond to what He is telling you. You must not let others distract you, you must keep your focus on Jesus. You must keep your hearts open to God's love and mercy that He has for each of you. You must not carry doubt in your hearts. You must believe that God truly hears your prayers.

All things are possible with God, so trust, trust dear children, in His loving care. Trust in His guidance and ask, ask for assistance.

Now, please honor my Son and carry Jesus with you wherever you go. Amen.

MESSAGE #2549 from the Blessed Mother November 4, 2003

My daughter, Satan is attacking the youth and all must join hands and pray, pray for them. Many are on the wrong road and they are leading others astray. Many are caught in the serpents tail and they need to be rescued before it's too late. How I weep when I see so many youth living in sin. I weep because many are not prepared to see their soul. Many more cult groups are forming all around this world.

Today, I am asking parents to pray more for their children. I am asking each of you, including religious, to get down on your knees and pray more. Only through prayer and by your example, is how evil will be destroyed. You are each called to pray, so please, please pray more.

Satan's venom is poisonous and he is grasping those children who are choosing darkness. The youth need to understand that Satan exists and that he is their enemy. The youth need to be taught how to armor themselves so they are protected on this earth. Many children today are not being taught at home. Many children are not hearing the truth at the pulpit. Many children are not being cared for in the proper way.

Dear chosen sons, please wake your flock. Let the world know that evil exists and that without prayer and the proper armor, many will sink deeper, deeper into the pit. Many will fall further away from God if they don't repent and give their life to Him.

Dear chosen sons, your voice is needed, so do not deny the truth. Speak from your heart and share all that I am teaching you. Tell your flock the importance of praying the Rosary. Tell your flock that evil can be destroyed through family prayer. Tell your flock that much more evil will enter this world if families don't join hands and pray, pray more.

Don't allow Satan to become even more powerful. Use your hands and voice for Christ. Use the knowledge God has given you and be strong soldiers for Christ. Come out of hiding and assist the youth. Allow my Son to use you in these times. Strive to be Jesus and imitate His ways. Don't allow fear to rule your life. Assist me, assist me now, for time is running out. Assist my children by truly speaking the truth.

All must wake in this time period in which God has so graciously allowed. All must do their part so more souls see Heaven instead of hell. Hell is not where I want my children to go, but I am warning you, Satan is grasping souls. Satan is doing all that he can to turn my children away from God.

Now, please join hands and work together. Join hands and pray and allow the Holy Spirit to guide you each new day. I will truly, truly assist you, so be willing to do what God is asking of you. Be willing to be persecuted for sharing and living your faith. The time is now, so respond with love, love in your hearts. Amen.

MESSAGE #2550 from the Blessed Mother November 6, 2003

My daughter, Doors will be opened one by one, so please trust and be obedient to God. God knows the most perfect timing, so please keep your heart open and do what God is asking of you. If all would do their part, peace would reign in this world. Laziness and lack of faith is why so many are choosing darkness.

Strength comes from knowing Jesus, so please, please dear children, turn to my Son each new day. Turn to my Son and ask for the strength needed to live a pure and holy life. Turn to my Son and you shall be guided on this earth. The problem today is many are turning to the world instead of relying on my Son. Many young people are turning to drugs because they do not have peace in their hearts.

Peace comes from knowing my Son, so please make this known. Teach others the truth so they do not fall into Satan's trap. Teach others how to carry their cross by your example. This world needs to see Christ's love shining through you. This world needs to be taught and you are each called to be teachers.

God's love is truly there for those who turn to Him. Those who turn to God will receive the graces needed to do His Will. Grace will come if you take refuge in Jesus' Most Sacred Heart. Grace will come if you obey and live the ten commandments. Grace is God's gift to you, so please respond and live your faith.

Faith comes from hearing, so listen to God and believe, believe in the Gospel. Believe and repent and spread your faith wherever you go. Go out and proclaim God's Word and live, live your Catholic Faith. Detach yourselves from the world and make time, dear children, for God. Through prayer, you will come to know God. You will come to know His love that He has for each of you.

Now, please lift your hearts and mind to God and listen as He speaks to you. Listen and accept His words and then go forth and live, live His love. Amen.

MESSAGE #2551 from the Blessed Mother November 10, 2003

My daughter, Groups must continue to form all around this world, for much prayer is needed. Prayer is needed because many are not doing their part and they are not living a life that is pleasing to God. Many today are on the wrong path because they are not being fed the truth.

The truth, dear children, is you cannot have a personal relationship with Jesus if you are choosing to live in mortal sin. You cannot grow if you are living a lukewarm life. Each new day you must hunger for truth and allow God to guide you. You must be willing to follow Jesus and imitate His ways. You must let go of your ways and be humble servants for our Lord.

You must detach yourself from all that is worldly in order to embrace God's love for you. Your material wealth is not what will get you to Heaven; it is your love and true devotion to Jesus and your desire to truly please my Son. It is not pleasing to God when you are dependent on your wealth. It is not pleasing to God when you are choosing to go your separate way.

You must be like Christ and live, live a holy life. You must live the Gospel and obey God. You must cleanse your soul and be truly sorry for your sins. You must be hungry children and receive the Sacraments. You must not reject God's love. You must accept His words and allow God to dwell in you. You must not abuse the freedom God has given you.

Now, please do the Will of God and do as I ask. Do all that you can and be true apostles for Christ. Avoid temptation and stay close to Jesus' Most Sacred Heart. Be clean and pure in your words, thoughts and actions. Let go of pride and remember you are weak without God's assistance.

Now, please practice all that I am teaching you and be role models to each other. Be loving, humble and compassionate, and seek God's direction in your lives. The road will not seem as difficult if you turn to God with trust in your hearts. Now, go forth and be fruitful and live each day for Jesus Christ. Amen.

MESSAGE #2552 from the Blessed Mother November 12, 2003

My daughter, In order for my children to bear fruit, they must pray, pray from their hearts. They must pray and then listen, listen to God. They must go in the direction God is leading them and not be hesitant to do what God is asking of them.

Many today are unwilling to pick up their cross due to fear. They are afraid to speak the truth to those who are choosing darkness. Fear will not help those who are living in sin. Fear is not from God, so please be willing to speak the truth in love. Be willing to rescue those who are on the wrong path. Be willing and full of hope so more will come to know Jesus.

The devil's path is dark, so please help those who are being led astray. Have concern for their souls and light the way wherever you see darkness. Light the way and be brave soldiers for Christ. Light the way by truly living your faith. How beautiful this world would be if you each did your part to light the way for others.

It is time now to gather the harvest, so begin today and pray, pray for one another. Begin today and ask God for the courage needed to go forth in love and in truth. Begin today, for time is short and souls will be needed for each new battle. The time is near, so please respond and be light to this darkened world.

I am ever so near to you, so let go of fear and do God's Holy Will. Amen.

MESSAGE #2553 from the Blessed Mother November 14, 2003

My daughter, These messages are given for a reason and my children must respond now. My children must take shelter in Jesus' Most Sacred Heart. My children must repent and prepare now.

The United States will suffer, suffer greatly if man continues to choose darkness. Darker days will come and all will need to be in a state of grace. Many terrorists roam this earth and they have plans to attack. God is warning His children now, yet many are not listening. God is warning His children now, so please wake your neighbor. Rescue those who are living in sin and go forth and speak the truth in love.

Go forth in love and share my words so more turn to Jesus. Be an example and live your faith so more come to know God's love and mercy. There is no longer time to be doubting in the many messages that are being given across this world. All must take heed and do their part so more repent and amend their ways. All must come to know Jesus now so they are prepared for God's mercy and justice.

Your mission, dear children, is to spread your faith and be light to this world. Your mission is to live your vocation and to live saintly lives. Your mission cannot be fulfilled if you are unwilling to pick up your cross. Please live out your apostolic mission and share your faith wherever you go. Share your love of knowing Jesus and invite others to those groups that I have formed. Live, live the Gospel and be true apostles in these times. Appreciate the gifts God has given you by truly using them.

Now, please dear children, stay awake. Stay on the path that will lead you to Heaven. Stay strong in your faith and be open to God's Will in your lives. The path will soon become more difficult, so stay close to my Son so He can guide you. Receive Jesus as often as you can, for then this peace of knowing my Son will not leave you. Much strength will be given to you and you will see light no matter how dark it becomes.

Now, please pray for your country. Pray for courage so you never give up or give in to the enemy. Prayer is the answer. Prayer and sacrifice is what I am asking of each one of you. Please, please respond. Amen.

MESSAGE #2554 from the Blessed Mother November 17, 2003

My daughter, Stay hopeful, for I am with you. Each message that you write is truly, truly embedded in your heart. This is why it is so important to write all that I am telling you. My words shall flow from your heart so that you in turn can teach others.

This time shall pass, so please stay strong for Jesus. Through your suffering, many more souls will be saved. Through your obedience, new doors will open. Conversion happens through prayer, so continue to pray and offer your suffering for the salvation of souls. Continue to intercede for those who are in need of prayer, for then healing shall continue to happen. No-one can stop God, so pray, pray everyday. Pray and ask God to heal those who are in need of prayer.

Today, I urge my children to continue to pray and gather in those groups that I have formed. I ask that you continue to form groups, for you will need each other in times to come. I ask that you come to Mass so you receive the grace needed to stay strong through all trials and persecution. I ask that you bind your Rosaries around this world. I ask that you join hands and work, work together. Through your response, the enemy will flee. Through your response, man will see that God's work never ends.

Now, please be grateful for each new trial and test, for in the end, God will be the judge. Now, please gather today and be joyful children, for God is truly, truly with you.

My daughter, please give this message to your Bishop, for this message is also for him. Go now with love in your heart and give thanks and glory to God. Amen.

MESSAGE #2555 from the Blessed Mother November 18, 2003

My daughter, God's love must continue to shine no matter how dark it becomes. Light will be present around those who have love and joy in their hearts, so be loving, be joyful and live, live your faith. Live each day for Christ and peace shall reign in your hearts.

I am here today to remind you to love, love one another. I am here to remind you that love will bring warmth to a cold heart. Love is the answer. Love is what God is commanding of each of you. Lack of love will only cause much more division. Lack of love is why there is so much turmoil in this world.

So, today, turn to God and ask Him to help you be a more loving people. Turn to God and allow Him to remove any hate that is harboring in your hearts. God will touch you in a special way if you turn to Him with an open heart. God will show you the way if you have complete trust in Him.

Now, please follow the example of my Son and be prayerful, humble, loving children. I give you my blessing of love. Accept my love that I have for each of you. Amen.

MESSAGE #2556 from the Blessed Mother November 19, 2003

My daughter, My children must not give up, for this is what Satan wants all around this world. So, today, I ask that you do the opposite of what Satan is telling you. I ask that you continue to gather and pray, pray from your hearts. I ask that you keep your focus on Jesus so you have peace through all trials and persecution.

Dear children, do not give in to the ways of the world. Do not give in to those who are attacking those groups that I have formed. Do not give in to compromise, follow Jesus and listen, listen to your Most Holy Pope. Obey God's commandments and live, live your faith. Do not listen to those who are making up their own rules to fit their lifestyle.

Abortion is on the rise because many are not obeying all of God's commandments. Much evil is taking place all around this world because many are giving in to temptation. Many do not want to pick up their cross and follow Jesus. Many today preach the truth, but do not live it. This world is in danger because many are disobeying God's laws. Many are choosing to live in sin because they do not want to repent and amend their ways. What will man do, when God shakes this earth? The earth is trembling now. Many earthly changes are happening due to sin and disobedience to Almighty God.

God is truly warning His children, yet so many are still sleeping. Many today are ignoring the signs of these times. Many messages are being given, but man is refusing to give their life to God. This time of mercy will not last, so do not be fooled by those who are refusing to take heed to the Gospel. Do not be fooled by those who are making up their own rules. Do not be fooled by those who are refusing to live all of God's commandments.

Be not foolish children, respond to my motherly requests. Pray the Rosary and come to Mass as often as you can. Pray, fast and make reparation for sin. Do penance and be truly sorry for your sins. Stay close to Jesus' Most Sacred Heart so you are not tempted to take the easier road. Keep your souls focused on my Son and not on the ways of the world. Make daily sacrifices and do all that you can to make the Gospel known. Do not grow lax in serving my Son, reach out to all your brothers and sisters. Pray for my Priests daily, for many are being attacked. Many souls need prayer, so gather and pray, pray together. Each time you pray, I will truly be with you. I will be with you through all trials and storms, so stay calm and continue to do what God and I are asking of you.

Now, please be humble, trusting children and go forth in harmony and in love. The way is truly forward, so persevere and remain strong, strong for Jesus. Amen.

MESSAGE #2557 from the Blessed Mother November 23, 2003

My daughter, Strong perseverance is needed during this time of persecution, so be brave and do not lose hope, for I am truly with you. Be obedient to God so you are not tempted to take the easier road.

Those who are choosing the easier road now will have a difficult time in days to come. When they see their soul they will know just how many wounds they have added to Jesus' Most Precious Body. Those who are choosing darkness will have but little time to amend their ways. Those who are living a lukewarm life will have to answer to God.

So, today I ask that you keep moving forward no matter how heavy your cross might feel. I ask that you embrace each new cross, for God will truly help those who turn to Him. God will truly help those who are willing to suffer for Him. God will help you each new day if you rely on Him for strength and courage.

It is time now to truly let go of your desires and trust in God. God's ways are much more perfect, so please be patient and have complete trust in Him. Through prayer and a trusting heart, good things will happen. Through prayer and sacrifice, you will be strengthened for the road ahead.

Continue now, to gather in those groups that I have formed. Continue to pray and offer your suffering for the salvation of souls. Continue to keep your hearts open and full of love, for then God will use you in a powerful way. God's love will blind the enemy if you allow this love to shine through you.

Now, please believe in God's love and mercy, for you are being purified for the road ahead. Just as you have stayed with me, I too will be there for you. So, be at peace and believe that when you do God's Will, you truly, truly please my Son.

Now, go forth as prayerful children and be faithful to Almighty God. Amen.

MESSAGE #2558 from the Blessed Mother November 26, 2003

My daughter, I am truly with you, so feel my presence today. Feel my love that I am pouring down upon you. I truly love all my children, even those who do not understand my role on this earth. My love will continue to pour down upon those who welcome me in their hearts and in their home.

Those Priests who welcome me in their hearts will truly, truly feel my presence. I will assist them if they accept my motherly love and guidance. I will protect them from the evil one if they pray and meditate on the mysteries of the Rosary.

I invite all my children to accept my motherly assistance so that I can lead you closer to my Son, Jesus. Accept, accept my love and grace. Accept these messages and live them with joy in your hearts. Live them and keep a joyful spirit so more come to know Jesus during this time of mercy.

Through your prayers, sacrifice and fasting, more will come to know my love for them. More will awake from their slumber if you truly live, live the Gospel. Hearts will soften if you live in peace and harmony. By your loving example, more will gather in those groups that I have formed.

Now, please fill the Church and give praise and glory to my Son. Amen.

MESSAGE #2559 from the Blessed Mother December 1, 2003

My daughter, Peace comes from knowing Jesus, so keep your focus on my Son and believe in His love for you.

Those who seek control are not being truthful. They do not turn to God for answers, they are relying on themselves. It is God whom we must place our trust upon. It is God, not man, who has the answers. If man is looking for signs, then they are not living their faith. God knows the most perfect timing, so one must trust and be patient and not lose hope.

These messages are God's loving way to assist His children. These messages are the truth and they will teach those who respond with an open heart. Many today do not want to hear the truth. They do not want to hear the truth because they do not want to change their ways or lifestyle.

Dear children, you must not allow arrogance to stand in the way. You must turn to God and be humble, loving children. You must be docile and listen, listen to God. You must not give in to your desires. You must be submissive to Almighty God. You must come to daily Mass as often as you can and truly listen to the Gospel. You must believe in the Sacraments and work hard to keep your soul pure. You must do penance for your sins and choose the path that will lead you to Heaven.

Those who preach the truth must also live it. They must reach out to all their brothers and sisters. Each person must live their vocation if they truly want to walk with Christ. A true disciple is one who loves and serves our Lord. In order to be true to God, you must build your relationship with Him. You must turn to Him and pray throughout the day. You must turn away from gossip and spend your time listening to my Son.

If you allow your ears to wander you will not hear God. God is truly speaking to all His children, but many today are not listening. Many are not spending enough time with my Son, Jesus. Many today do not know how to be silent because they have allowed busyness to rule their life.

Please, dear children, slow down and seek God's direction. Slow down and make time to be with God. Let go of your selfish desires and be obedient to God. Let go of your ways and give yourself completely to God. By letting go, God will then use you in a powerful way. So, today I ask that you thirst for holiness. I ask that you allow God to purify you so that change can happen in your life. I ask that you allow God to be in charge so you never step ahead of what He wants to do in your life.

Now, please ask for God's assistance, for the time is now to become spiritually strong. This time has been allowed, so please be wise and respond, respond now. In time you will understand and if you do your part, you will have peace through all storms.

Now, please live your faith and be open to all that you are being taught. Faith must begin in your heart, so be open to God's love and plan that He has for each of you. Amen.

MESSAGE #2560 from the Blessed Mother December 3, 2003

My daughter, Satan loves confusion and disharmony, so be peaceful and continue to light the way for others. Continue to share all that I am teaching you, for it is truly imbedded in your heart. Continue forth, for the truth must be made known.

When you gather, pray, pray from your hearts. Pray for peace, pray for unity so more will join hands and live the Gospel. Satan will flee wherever there is prayer, so be prayerful and allow God's love to shine, shine from your hearts. Be prayerful, for then peace will dwell in your hearts. Prayer is truly needed, so tell my children to pray more. Tell my children that prayer must continue because so much evil has entered this world. Without more prayer, darkness will continue to surround the earth. I have been asking each of you to pray more, so please listen now and pray, pray, pray more. Pray for peace and unity to be restored.

As a good mother, I must remind my children to do their part for the salvation of souls. It is time now to respond, for there is no time to be lazy, for time is short for saving souls. This time is your time to truly make a difference in this world.

God will truly bless those who come to Mass and who pray together as a family. God will bless each group that gathers and prays and meditates on the Rosary. God will truly bless you, so do not give up or give in to evil. Do not make excuses, be true to God and give your entire life to Him.

A response is needed, and no one can urge you to stop praying. Amen.

MESSAGE #2561 from the Blessed Mother December 5, 2003

My daughter, It is pertinent that my children walk in faith, hope and love. In order to do this one must trust in God's love and mercy. One must love God more than their desires. One must continue forth, strong in their faith and light the way for others. Others will know that I am here if you obey God and live, live the Beatitudes.

Your response is how others will see Christ in you, so begin today and be joyful, humble, loving children. Begin today so more will turn to Jesus before it's too late. Each day, take my hand and together we will climb God's holy mountain. I am truly here to assist and encourage you, so please respond to my heavenly requests. Respond with love in your hearts no matter how others treat you.

Accept everything with joy and I promise you peace will then dwell in your hearts. When you start to lose hope, pray more and offer your suffering to our Lord. God will then guide you so you do not give in to evil. God will turn your sorrow into joy and you will be given the strength needed to continue forward.

Strength will be needed for times ahead, so please rely on God to help you each new day. Rely on God and not man, for God's ways are more perfect. Seek God's Will and then accept His loving embrace. Opportunities will arise, so allow God to transform you so that He can use you in a powerful way.

Now, please have total trust and confidence in God, for He truly knows what is best for your soul. Trust and believe that God will walk with you each time a door is opened. All will be perfect in God's time, so trust and believe and be at peace. Amen.

MESSAGE #2562 from the Blessed Mother December 8, 2003

My daughter, I am with you, as it is not yet time to leave you. I share your tears, but through this suffering many souls will be saved. Through your suffering and obedience to God, more will come to know Jesus.

In Heaven there will be no more suffering, so please continue to do what God and I are asking of you. Continue to share your love of knowing Jesus no matter how dark it becomes on this earth. God will light the way and in time His plans will be fulfilled. God will be your strength and He will truly assist those who listen and obey. God is in charge, so please obey and accept each new cross with joy.

This is a time of purification, so please tell my children to allow God to be in control of your lives. Tell my children to live a pure and holy life. Tell my children that God is truly preparing His children now. The time will come and Jesus will renew the face of this earth. The time is soon at hand, so believe in God's love and mercy. God has great plans for those who persevere and remain faithful to Him.

So, please allow God to purify you and prepare you for the road ahead. Begin today by truly keeping your focus on Jesus. Begin today and imitate Christ so more will come to know my Son, Jesus. Be merciful and loving and forgive those who have hurt you. Strive each new day to be like Jesus. Live your faith and do God's Will and always be dependent on Almighty God.

Dear children, new doors are already opening, so continue to gather and pray. Continue to trust in God's mercy and His love that He has for each of you. Be hopeful now and prepare your hearts, for the time is soon at hand. This time has been allowed so that I can truly help you grow in holiness and purity. Be grateful for this time, for God and I are truly with you. Amen.

MESSAGE #2563 from the Blessed Mother December 10, 2003

My daughter, I am the Mother of God. I am here to prepare the way for my Son, Jesus. I am here for all my children because I am a mother to each of you. Those who take my hand will see light no matter how dark this world becomes. I say to each of you, take my hand so that I can assist you on this earth.

Take my hand now, for this is a time of preparation. A time in which God has allowed so you become strong in your faith. Do not doubt in this time, for this time will not last forever. The earth is trembling now, so do not wait to prepare your soul. Open your hearts each new day so that God can enter in a deeper way. Open your hearts and amend your ways so that you have peace when mountains move. The earth will shake and those who are strong in their faith will have peace through all storms.

God has been warning His children for some time now, yet many are still living in sin. Many are not prepared because they are refusing to listen to God. Many are refusing my assistance because they do not want to hear the truth. Many are living like kings and queens and are ignoring those around them. This luxury that man is relying on will be taken away. What will man do when they can no longer rely on their wealth? How this world will suffer if they don't wake up soon.

I am warning my children today to let go of all that is preventing you from coming to Church. I am asking that you turn to God and repent, repent of your ways. I am asking for family prayer, for many children have become lost in this world. Many children are neglecting their soul and they are not being nourished in the proper way. So many youth are living in mortal sin. It is time now to wake those who are sleeping. It is time now to take hold of your lives.

There is no longer time to be ignoring these messages, for these messages are the truth. These messages are for all my children, for you each have a soul. This earth will be cleansed and you will each need to be in a state of grace. You will need a strong faith and total trust in God. Today you must ask yourself, do you truly have a relationship with my Son, Jesus? Do you thirst for the truth or are you denying the Gospel? Are you praying and fasting for the sins of this world? Do your children truly know that God exists?

Prepare, prepare now and do not wait. A new and bright light is coming to wake mankind. Those who turn away from sin will be protected, but those who choose darkness will run in the wrong direction. This is a time, a time of God's mercy, but soon, very soon God's Justice will prevail. This light will disappear and those who are listening to the enemy will suffer, suffer tremendously. Those who have taken refuge in Our Heart will be protected.

Choose now and do not wait, for the time, dear children, is soon at hand. Turn to God and amend your ways before it's too late. My hand is truly here for you, so please take my hand so I can assist you. I plead with my children today, so please listen and respond and live, live the Gospel each new day. Amen.

MESSAGE #2564 from the Blessed Mother December 12, 2003

My daughter, It is necessary for my children to be on guard, for the evil one is sly. So please tell my children to pray more and stay close, close to Jesus' Most Sacred Heart. Tell my children to armor themselves each new day with the protection God has provided for them.

The Holy Angels and Saints are truly there for those who ask for their assistance, so remember to call upon St. Michael and all the Archangels. Remember to ask for their protection and assistance. Remember to invite all the Holy Angels and Saints into your homes. The enemy will flee if you pray and do what I am asking of you.

Protection is truly needed in this world because so much evil roams this earth. Satan is strong and he truly has many followers who are listening to him. Satan is strong and he is truly attacking those who are being disobedient to God. If my children continue to pick and choose which commandments to obey, much more evil will enter this world. This is why it is so important to obey all of God's commandments.

Today, I ask that my children examine their conscience and then ask themselves, am I obeying each commandment? One must be honest and then work on those areas where they are weak. One must ask God for assistance, as it is impossible to get strong on your own. Each child needs God's assistance and loving guidance. Each child needs to examine their conscience in order to make a thorough confession. Without a repentive heart, change cannot occur.

Now, please be obedient children and trust in God. Repent and amend your ways and do daily penance for your sins. Ask God to forgive you for any sins you have committed and then do your part so you live a holy life. Do your part so you are not tempted to take the easier road. Commitment is truly needed, so please be submissive to God's Holy Will.

This is the time to reform your ways and to live your faith. So be wise and take heed to this message so evil does not destroy your soul. Be wise, obey God and use the protection that has been provided for each of you. Amen.

MESSAGE #2565 from the Blessed Mother December 16, 2003

My daughter, Have hope in Jesus and trust, trust in His love. Trust in God's plans so you do not lose hope or confidence in our Lord. In time, my Immaculate Heart will triumph and there will be peace, peace on this earth. In time, all will see their soul and many will suffer if they do not use this time to prepare their soul.

The day will come, so please, dear children, stay strong for Jesus. Be obedient to God and live your consecration. Be obedient to God and pray for those who are trying to make changes in the Church. Pray each new day for your Priests, for many are giving in to worldly ways. Many are not praying as they should and are not listening to my beloved Pope. Many are leading others astray who are weak in their faith.

I am here to assist my Priests, but many are refusing my assistance. I cannot help those Priests who are refusing to live their vocation. I cannot assist those Priests who are not shepherding their flock. I love all my Priests and I truly pray for those who are stepping ahead of God. My faithful remnant must also pray, for many are becoming entangled by the serpent's tail.

Many today are so in need of prayer, so please pray more and continue to gather in those groups that I have formed. Continue to live your faith and be an example to those who are not living the Gospel. Be obedient to God and be humble, loving children. Be true followers for Christ and live, live your Catholic Faith. Listen attentively to what your Most Holy Pope is instructing you to do. Listen and respond and do not doubt, for God is truly guiding this Most Holy Pope. This Pope has been chosen and the wise will truly listen to him.

So, today I ask that you be wise and surrender yourself to God's Holy Will. I ask that you be loyal to Jesus and serve Him with a generous heart. I ask for a response so you grow in holiness. I ask that you join hands and pray, pray for this world. Through prayer, sacrifice and penance, God will bless you abundantly. Through obedience to God, you will become spiritually strong. You will receive God's grace if you remain loyal to Him, so persevere and remain faithful to Almighty God.

Persevere and pray, for the time is soon at hand. Be wise and do not join hands with those who are disobeying God's laws. Be wise and prepare your soul and remain faithful to true teaching. Be light to this world and believe that God and I are with you. Amen.

MESSAGE #2566 from the Blessed Mother December 17, 2003

My daughter, You have been chosen to write and relay these messages, so please write each time I come to you. These messages will help those who listen and respond.

Many today are not taking heed to the Gospel, so that is why there are so many messengers in these times. God's words must be made known all around this world. God's laws must be obeyed before it's too late. All must repent and live their faith. All must turn their life around and amend their ways. All must do their part and be true Christians.

In order to be like Jesus, you must be merciful. You must open your hearts and be loving and compassionate to those around you. You must examine your conscience and work on those areas where you are weak. You must let go of any anger and pride and be humble, loving children.

In order for change to happen, you must pray more. You must spend time with Jesus and then allow Him to mold you so your hearts soften. Without God's loving assistance, you will be tempted to take the easier road. You must allow God to purify you so you can truly become strong soldiers for Christ.

It is time now to ask my Son for His divine assistance. It is time now to let go of your desires and allow God to be in charge of your life. Begin today and take refuge in Jesus' Most Sacred Heart. Begin today and ask, ask for Our assistance. Ask and you shall be given the guidance needed to stay on the right path.

Lack of humility is why so many are refusing to ask for God's loving assistance. Lack of trust and confidence in God is why so many are relying on themselves. Lack of faithfulness is why so many children are falling further away from God.

Please be humble children and turn to God. Be humble so that you can fulfill God's Will. Be patient and loving and I promise you the answers will be given to you. Depend on God and not yourself, for again I say to you, you are weak without my Son's help. Trust in God and be humble and you will receive the grace needed to persevere.

It is time now to move forward, so please, please respond. Respond today and pray, pray for humility. Pray today and then practice all that you are being taught. Pray today so you progress spiritually so you live a life that is more pleasing to God. I will be with you when you pray, so pray, pray dear children, throughout the day. Pray and give thanks to Almighty God. Amen.

MESSAGE #2567 from the Blessed Mother December 19, 2003

My daughter, God's love is truly pouring down upon His children. His mercy is great for those who repent and who turn to Him, so please turn to my Son and be grateful for this time of mercy and preparation. Be grateful for the gifts you have received and go forth and use them for God. This time cannot be wasted, so stay hopeful so you move forward with joy in your hearts.

A joyful heart is how others will see Christ in you. Love and joy in your hearts is what God is asking of each of you. If you truly want joy, then depend on God and trust, trust in Him. Trust in God for all your needs and then rely totally on His loving assistance. Each new day, allow my Son to direct and guide you and He will truly show you how to love, love one another.

This is a time where love and joy must be present in your hearts, so please turn to Jesus and believe, believe He is coming. Believe with excitement in your hearts and prepare your soul now. Jesus will truly come and through His mercy He will renew the face of this earth. Await, dear children, await His coming with love, joy and peace, peace in your hearts.

The spirit of Christmas is love, so please love Jesus above all else. Please love Jesus and allow Him to fill you with His love, strength and peace. Amen.

MESSAGE #2568 from the Blessed Mother December 30, 2003

My daughter, It is time now to write, for all that is written will be embedded in your heart.

My children must not lose hope, they must carry joy and love, love in their hearts. They must stay strong for Jesus and be a witness to those around them. More will come to know Jesus if you live, live these messages. When you come to Mass and pray the Rosary, you are living these messages. When you spend time with Jesus and pray throughout the day, then you are living these messages.

These messages will continue if you join hands and pray in those groups that I have formed, so please do not stop praying. Come to Mass and bind your rosary around this world. Pray for peace and unity, for there is much bloodshed taking place in many corners of this world. There is much evil roaming this earth and many lives are being destroyed. Prayer can combat evil, so continue to gather and pray, pray from your hearts. Continue to gather and pray, pray together so that more souls see light instead of darkness. You have no idea how powerful your prayers are when you pray, pray together. You have no idea how many souls are being saved each time you join hands and pray.

My daughter, tell my children the importance of prayer. Tell my children to fill the Church and to be obedient to God. All will know these messages are true if you continue to gather and pray, pray from your hearts. You are free to pray, so be thankful and pray more. You are free to come to Church, so come with love and joy in your hearts. No one can take away prayer, so come and pray and adore my Son as often as you can. Through prayer and obedience, new doors will open all around this world. So be joyful today and believe that when you gather and pray in this church that has been chosen, God and I are truly with you.

Now, please carry hope in your hearts and be loving, humble children. Carry love and peace in your hearts and all will know that God and I are truly with you. The way is forward, so please continue to live these messages. Your response is truly pleasing God, so continue to be prayerful and gather, gather in those groups that I, your Heavenly Mother, have formed. Go now in peace and be true soldiers for God. Amen.

MESSAGE #2569 from the Blessed Mother December 31, 2003

Dear Bishops,

It is my time to speak to you. You will see much more devastation if you don't take heed to Heaven's call. I am here, your Heavenly Mother, to make the truth known. Please listen and take heed to the many messages that have been given around this world.

Time is short, yet so many are sleeping. Time is short, that is why so many have been chosen to make the Gospel known. I plead with you today to respond to all that I am relaying around this world. Many mountains will crumble if man does not repent and turn to God. Many more fires will run rampant if man continues to disobey God's commandments. The earth will tremble more if you don't do your part in saving souls. How terrible it will be for those who are choosing darkness.

My request to you is simple as I am asking for more prayer. Please let go of your desires and make more time to be with God. Teach your flock the importance of praying the meditative Rosary. Teach your flock the importance of family prayer. Be true teachers and guide your flock, guide your flock now. So many are starving and they need to be fed the whole truth. Your response is truly needed, so again I say to you, speak the truth. I am here to assist you, so please do not ignore my heavenly pleas. Make the Fatima message known so more awake before it's too late.

Dear Bishops, this message is serious and you are responsible for saving souls. You have a vocation to live and this time cannot be wasted. These messages will continue, but it is up to you to take heed to all that is written. There is hope for tomorrow if you are willing to do your part today. The Gospel must be spread, for it is truly unfolding each new day. God's Justice will prevail and you will each have to answer to God.

Now, please help heal my Son's wounds, for they are bleeding profusely due to the sins of this world. A response is needed and I am asking each of you to do your part. I am truly here to assist you, for I am your Heavenly Mother who holds each of you close to My Immaculate Heart. Amen.
